KINGS ROAD EYFS

Excellence Without Compromise

A simple guide for families

Our full Early Years Foundations Stage policy can be found on our school website

A HAPPY, SAFE, LEARNING-FILLED START TO YOUR CHILD'S SCHOOL JOURNEY

We follow the statutory Early Years Foundation Stage (EYFS) and work closely with families to give every child a strong start.

WHAT WE WANT FOR YOUR CHILD

A warm, caring start that builds confidence, curiosity and resilience.

High-quality, play-based learning that builds skills for Year 1.

Learning that continues through a strong partnership between home and school

HEALTH, SAFETY AND WELLBEING

Regular attendance and punctuality are important. Please contact school promptly if your child is absent.

EYFS staff are trined in Paediatric First Aid

We carefully manage dietary needs and allergies and agree plans with families.

We follow safer-sleep guidance if a child unexpectedly falls asleep.

First-aid incidents are recorded and parents informed the same day.

WHAT CAN WE OFFER?

Nursery: children aged 3–4, with 15 or 30 hours depending on eligibility.

Reception: three classes, with up to 90 places in total.

WHAT DO WE TEACH?

We teach all 7 areas of the Statutory EYFS Framework, with an underpinning focus on the 3 prime areas.

We follow children's interests and extend learning through conversation and play.

We value high quality interactions

Across the year we use our 3i's approach to support children;s development:

Autumn — Interactions

Spring — Interventions

Summer — Independence

SUPPORTING ADDITIONAL NEEDS

We work with parents and other professionals to plan the right support for each child.

Early identification is key to ensuring children get the right support

WORKING TOGETHER

Your child has a key person who leads their care and learning and is a main contact for you.

We offer induction sessions, stay & play events, home visits, parent meetings and regular progress updates.

HOW DO WE CHECK PROGRESS?

Nursery: termly checks by Nursery Staff of prime areas.

Reception: the statutory Reception Baseline Assessment takes place within the first 6 weeks. Followed by termly checks by Reception staff of all 7 areas.

At the end of Reception, we complete the EYFS Profile and share it with the Year 1 teacher and parents, through an end of year report.

Learning is shared through ClassDojo and our class Learning Journey floorbooks.

We hold 2 parents evenings across the year.

FOOD AND TOOTHBRUSHING

Reception has a supervised tooth-brushing programme. Mealtimes are supervised and we follow government nutrition and food-safety guidance.

SCREEN USE

Screen use is limited and adult-led to support language and learning.

We adapt for children who need assistive technologies.

SAFEGUARDING

Child safety is our top priority. Our safeguarding team follows statutory guidance and local procedures; staff receive regular training and safer-recruitment checks are in place.

Talk to your child's teacher or EYFS Lead if you have any questions.

We welcome parent tours, please contact the school office to arrange one.
