

Durham Trinity School and Sports College

Provider Access Policy Statement

Created by	F. Day (AHT, CEIAG Lead)
Date of Review	September 2024
Date of Next Review	September 2025

Introduction

Durham Trinity School and Sports College is committed to ensuring there is an opportunity for a range of education, care and training providers to access pupils, for the purpose of informing them about a range of qualifications, care and learning pathways available to them post school including apprenticeships and technical education, where appropriate.

Durham Trinity School and Sports College is fully aware of the responsibility to set pupils on the path that will secure the best possible outcome, which will enable them to progress in education, on a personal level and/or in the World of Work.

The policy statement complies with the Durham Trinity School and Sports College's legal obligations under Section 42B of the Education Act 1997 and within The Department of Education, July 2021: "Baker Clause": supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023.

Student Entitlement

All pupils are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of the careers programme, which provides information on the full range of education, care and training options available at each transition

point. This information will help pupils to make informed choices and thus reduced the chance of a pupil becoming NEET (not in education, employment or training).

- To hear from a range of local providers about the opportunities they offer including those providing technical education and apprenticeships – through options events, assemblies, careers workshops or conventions and taster events.
- To understand how to make applications for technical courses and apprenticeships.

Management of Provider Access Requests

A provider wishing to request access should contact:

Mrs Paula Donkin

Acting Assistant Headteacher with responsibility for CEIAG

Telephone: 0191 3864612

Email: durhamtrinity@durhamlearning.net

Opportunities for Access

A range of opportunities and events are integrated into Durham Trinity School and Sports College's Careers Education Programme. Providers are offered an opportunity to come into school and speak to pupils, staff and/or parents. The annual programme of CEIAG events can vary and therefore it is recommended that the provider contacts the member of staff stated above to facilitate the most suitable opportunity for them to gain access.

Under the school's safeguarding policy guidelines, we request that providers who have regular and sustained contact with the pupils have DBS checks. All visitors will also be subject to reasonable supervision. A copy of the current safeguarding policy is available on the school website.

Premises and Facilities

Access to appropriate rooms, resources and facilities will be agreed with the provider prior to the commencement of the visit. Providers are welcome to provide the school with copies of their prospectus or course literature which can be shared with pupils during CEIAG themed sessions.
