

Communication and Language

We will be learning about each other as we get to know each other. We will be talking about experiences that are familiar to us and about our families. We will also be talking about our feelings and emotions and why we feel a certain way. We will be focusing on turn taking and our listening skills too.

Literacy

We will listen to and join in with stories and rhymes and show an interest in those with repeated refrains. We will show an interest in the marks we make giving meaning to our drawings and paintings. We will investigate print in the environment and begin to recognise familiar signs and logos. We will begin to show an interest in our own name

Personal, Social and Emotional Development

In our first half term, we will be settling into our new classroom, finding our way around our new school and learning the nursery rules and routines. We will be meeting new friends and teachers.

Physical Development

We will be developing our fine motor skills, as we will be learning how to hold and use a pencil correctly, use scissors to cut and playing with playdough to develop our finger strength. We will be developing our gross motor skills. We will take part in activities which will develop fundamental movement skills such as running, jumping, skipping.

Mathematics

We will explore colour and colour mixing. We will make comparisons between objects relating to shape, size and colour. We will compare using gestures and language: 'bigger/little/small'.

Talk about and explore 2D shapes using informal and mathematical language

Nursery Autumn 1 Marvellous Me

Religious Education Branch 1

Creation and Covenant

We will be sharing scripture directly from the Good News Bible as we learn how God shows his love by making a wonderful world for us all to live in. God created the world and said, "Indeed it is very good." (Genesis 1:31). We also learn about how important it is to take care of the world:

"The Lord God took the man and put him in the Garden of Eden to work it and take care of it." (Genesis 2: 15).

Expressive Arts and Design

As we have fun playing imaginatively in our home corner and small world. We will be singing and dancing, as we make music to our favourite Nursery Rhymes and learn new songs.

We will develop our drawing skills as we draw our self-portraits and pictures of our families using a range of different materials.

We will name and mix colours.

Understanding the World

We will explore and share our own life stories and how we are unique. We will compare ourselves to our friends and other families who are different.

We will recognise how we change from a baby, toddler, child, teenager, adult to an elderly person. We will explore our bodies and senses.

We will explore the season of Autumn, harvest and plant bulbs to explore changes over time.

WOW Moments
Stay and Play
