

Term	Autumn 2	Date	3 rd – 9 th Nov
------	----------	------	---------------------------------------

Information

- Welcome back everyone. And what a start! Kings Road was blocked due to the temporary lights not working. A few of you asked me to address the concern – I couldn't (and am not allowed to) but have reported the issue to the council.
- You will be pleased to know that whilst the cars may be static, the children (and staff) are cruising through their work this morning. Whilst the cars may be impatiently beeping and honking, the children (and some of the staff) are behaving patiently, respectfully and with kindness.
- This term's Mr Morgan Award scheme will be handed out on the 14th November with a return date of 16th January. I really do encourage you to encourage your children to engage with these activities.
- Please find below the dates for the upcoming term – please be aware that sometimes, things change.

This week's assembly focus

Equality

Spotlight

B Inclusive

This morning, all children from Reception to Y6 were invited to discuss their thoughts on equality. Predictably our children presented brilliant answers including; themes of kindness, respect and equity. I introduced the following concept to the children

This information builds on our, 'Bubu' approach which celebrates individuality, character, heritage and personality. We talked about the importance of every person at Kings Road feeling and being fully included at all levels and discussed what it feels like to be excluded.

We went on to talk about inclusion not just being something we should all benefit from but also something that we should all contribute towards; that we shouldn't make decisions of who should experience prejudice and that everyone should be cherished and experience belonging.

Celebrations

- Kings Road have received a prestigious award from Trafford called the 'Music Mark of Recognition' for 'Ambition and Quality'. We're very lucky with all of those involved in the teaching (and learning) of music at KR.
- Sending our best wishes to those celebrating Guru Nanak's birthday on Wednesday.

Love. Of all our remarkable achievements, the one I am most proud of is that love has been at the heart of the Kings Road experience from day one—for every member of our school community. In over 20 years of senior leadership, I have never known a team of staff so talented, dedicated and compassionate. Our children are encouraged to show great character and to behave with the utmost kindness, curiosity and

respect. The curriculum is rich and engaging, our outcomes are exceptional and our offer extends far beyond the classroom—featuring a wealth of unique and inspiring experiences such as Team KR, Bubu, Kings Got Talent, Grandparents Day, Eisteddfods, Mantle of the Expert, Difference Day and so vey much more.
