

Year 2 Structures Summer Term

A Chair for Baby Bear (Evaluate)

Key Vocabulary

Key Word	Definition
Natural	Materials found in nature.
Man-made	Materials made by humans.
Instructions	Tell you how to do something or how to make something.
Assembly	Putting parts together to make something.
Strong	It does not break easily.
Stable	A structure that is fixed and steady and will not fall over.
Test	To see if a product works.

Learning Sequence

1

Evaluate a range of existing products (chairs).

2

Understand what makes structures strong and stable.

3

Evaluate a range of joins.

4

Design a product with a purpose for an intended user (make a chair)

5

Use design criteria to make a chair.

6

Evaluate my design and suggest changes.
