

Geography Yearly Overview for Year 1 and 2

Geography is a subject that is taught 3 times within the academic year.

	Autumn 1	Spring 1	Summer 2
Year 1	<p><u>What are human and physical features and where are these in Braunstone?</u></p> <p>In this unit we will look at maps of our school and local area. We will learn that we live in Braunstone and start to talk about the human and physical features which we can see. We will then start to look at Leicester and Leicestershire using maps of the city and county. This unit is exciting because we will go for walks around our local area.</p> <p>By the end of this unit I will understand the vocabulary Human and Physical Feature. Additionally, I will know that I live in</p>	<p><u>What is the UK and what do I know about it?</u></p> <p>In this unit we will use our knowledge of Braunstone and Leicester to learn about the United Kingdom. We will learn about the four countries of the United Kingdom and their capital cities. Using what we learnt in Autumn 1 about human and physical features we will learn about features of the United Kingdom.</p> <p>By the end of this unit I will understand that I live in Braunstone, Leicester, England. I know that England is a country in the United Kingdom. Additionally, I</p>	<p><u>Where is Hunstanton and how does it compare to Braunstone?</u></p> <p>In this unit we will use our knowledge of Leicester and England to help us understand where the coast is and what it is like there. We will compare where we live to Hunstanton and look at other features of the UK. Over the unit we will look at weather patterns in the UK. This unit is exciting because we will go on a trip to Hunstanton!</p> <p>By the end of this unit I will understand that I live in Braunstone and that Braunstone is in Leicester. Additionally, I will</p>

	<p>Braunstone and that Braunstone is in Leicester.</p> <p>New vocabulary I will start to understand and use-</p> <p>Forest, soil, vegetation, local area, human features, physical features, landmark, geography, key,</p>	<p>will be able to talk about the United Kingdom, including its countries and some features.</p> <p>New vocabulary I will start to understand and use-</p> <p>Coast, mountain, ocean, valley, port, areal, country, capital city, landmark</p>	<p>know that Leicester is a City in England, and that England has other places that are different to Leicester. I can talk about these similarities and differences.</p> <p>New vocabulary I will start to understand and use-</p> <p>Beach, cliff, coast, ocean, harbour, areal, local area, landmark, country</p>
	Autumn 1	Spring 1	Summer 1
Year 2	<p><u>I am learning to be a Geographer and I can tell you about the world</u></p> <p>In this unit we will learn about position and compass points. We will use maps to learn about the world, its continents, the equator and how this affects climate.</p> <p>By the end of this unit I will</p>	<p><u>I am learning to be a Geographer and I can tell you where I can go on my boat and what it would be like there</u></p> <p>In this unit we will use what we learnt in Autumn 1 about the world to help us understand all about the world's oceans. We will learn about the worlds 5 oceans,</p>	<p><u>I am learning to be a Geographer and I can tell you where Nigeria is and how it compares to Braunstone</u></p> <p>This unit will draw all of our geography knowledge to allow us to compare the UK and a Non-European country. The country we will look at is Nigeria as this is</p>

	<p>demonstrate that I know I live in England, United Kingdom. I know that this is located within Europe. I will be able to name all seven continents and will be able to talk to you about the world using the words equator and climate.</p> <p>New vocabulary I will start to understand and use-</p> <p>continent, equator, government, country, human features, physical features, areal, landmark, key</p>	<p>how these are similar and how they are different.</p> <p>By the end of this unit I will be able to talk about and name the worlds 5 main oceans. I will be able to talk about how they are different and where they are located.</p> <p>New vocabulary I will start to understand and use-</p> <p>coast, ocean, port, compass, continent, equator, lake, globe, atlas</p>	<p>where a lot of our pupils have links to. We will learn about the different features, climate and locations with Nigeria. This unit is exciting because we will have a Nigerian visitor!</p> <p>By the end of this unit I will demonstrate that I know I live in England, United Kingdom. I know that this is located within Europe. I will be able to name all seven continents and will be able to talk to you about the world using the words equator and climate. I will demonstrate that I about different features of Leicester/B.stone and a different place, I will be able to compare these using my geographical knowledge.</p>
