

20th May 2022

Dear Parents and Carers,

Last week the Year 6 children did their SATS and this week Year 2 began their SATs. Despite the children being only 6 or 7 years old they really did impress staff with the resilience they showed. Well done all.

Pepper enjoys greeting all the children as they arrive in school. She then frequently walks around the classes to check how everyone is. She is also sometimes going to the library with the children to spend time listening to children read.

Next week on Tuesday Year 6 will be having a cinema trip as a post SATS treat. On Thursday the whole school is in for a treat as there will be a performance of The Jun-

On Friday, we hope that all the children might like to wear red, white or blue ahead of the Queen's Jubilee celebration. If children wish to wear a headdress they may do so. After the celebration assembly we would welcome any families

who would like to use the school field to have a picnic- weather permitting!

Recently, our Year 6 School councillors (**Alfie, Alex, Brayden, Ella, Ellie M, Lily C and Phoebe B**) have been working on their presentation skills. On Wednesday they presented the ideas from the whole school in assembly. All children then had the right to a vote to choose which aspect to focus on first. This reflects one of the core British Values of democracy; each child having the right to a vote and all being equal.

The children chose:

#### **Idea 6: Charity events.**

Over the next couple of weeks the school council will work with Mr Baldwin and all the classes to find ways in which to do this. If you would like to help or have a suggestion for the charity, please contact the 'Friends Of Wynstream.' Please use this [link](#)!

After half term, we will be starting some

additional clubs for children before school, at lunchtime and after school. Please see the information that will shortly be posted on class Dojo to find out how to book!

Lastly some reminders:

- We have noticed some cars parking illegally outside the school at pick up and drop off times. It is unlikely to be parents or carers but if you are struggling to transport your child to school please speak to the office.
- We will be continuing to give out **free bagels for all children** from 8:25am but from now only in the main playground.
- Today, Friday 20th May, there will be a Year 1 cake sale at school, indoors in the main Atrium space through reception. Thanks to all those parents who contributed, helped or bought cakes. All proceeds to the 'Friends of Wynstream.'

Have a wonderful weekend and see you all on Monday!

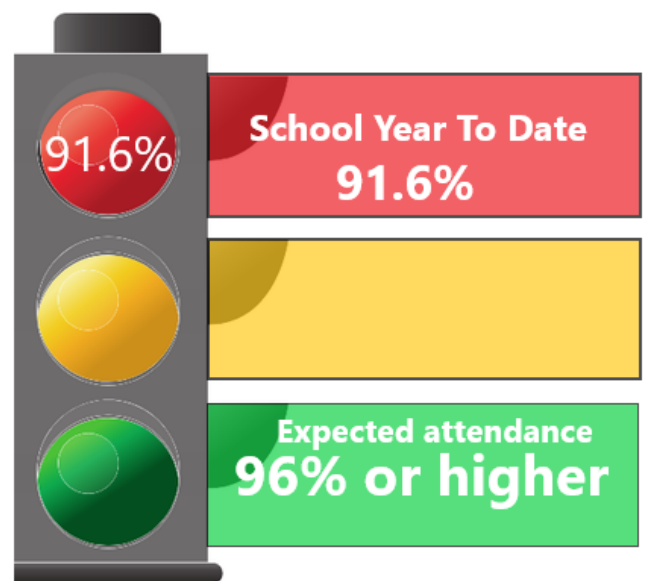

Best wishes,

Elise Redman  
Headteacher

### School Attendance - Ongoing Reporting.

The information below shows that whole school attendance for the dates between 6th September 2021 and 19th May 2022 is currently **91.6%**, slightly up from when we reported 1 week ago. This is going in the right direction, but is still below the expected attendance rate of **96% or higher**. The national average for attendance in state funded primary schools was **92.3%** to April 2022, Wynstream Primary School is **0.7%** below this national average.

### Mental Health Support Team In Schools—

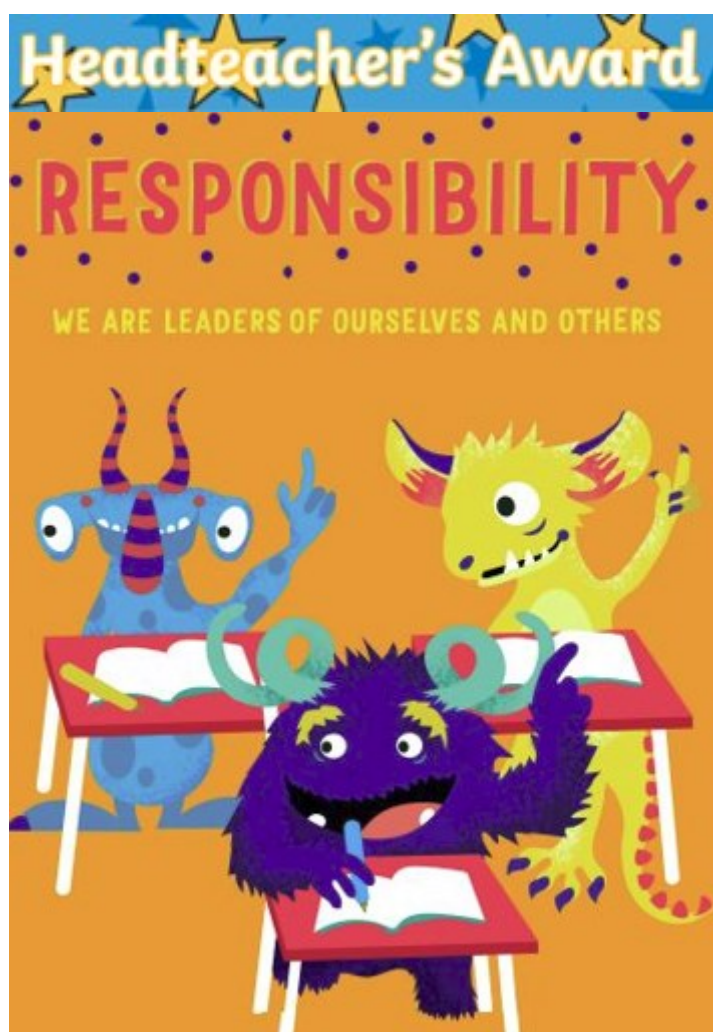

Thanks to all of the parents/carers who attended the drop in coffee morning on Wednesday. We hope you found it useful, and a good induction to the forthcoming MHST sessions.

Continued>>

**Lego Engineering @ Lego Club.** The children designed and built a model of a building for Exeter's future in Lego, part of 'Building greater Exeter' Lego competition. The children came up with the name "The Mega plex" which consists of 3 floors: The 1st has an arcades and 5 bowling alleys. the 2<sup>nd</sup> consists of a cafe area and 3D cinema and the top floor will be a calming, relaxing area mainly aimed at college/university students, somewhere to focus and relax while working on their essays. The top will be made of all glass so they can look out across Exeter city centre or relax while watching the clouds pass by. Good luck everyone in the competition!

Well done to **Edward, Ollie, Dainton, Maison, Joseph, Katie, Ethan & Dylan** for a brilliant build!

This week we recognise which of our pupils have demonstrated the greatest levels of RESPONSIBILITY whilst in school. Responsibility is one of our 5 school values, and we will be celebrating achievement across each of the values throughout the term. For more information about our school values, vision and ethos please visit our website or click [here](#)

## Congratulations to:

### EYFS

Mia Southwood & Elsie Foster

### Year 1

Abigail Malceniece & Rexlin Selvans

### Year 2

William Lovering & Jacob Hannaford

### Year 3

Rafael Heath & Alfie Warren

### Year 4

Reuben Hamlyn & Eva Grainger

### Year 5

Rehab Lodhi & Abbie Knutton

### Year 6

Fabian Wlochowicz & Lucie Oven

One example of the nominations this week is;

*"This pupil has taken full responsibility this week in both her learning behaviours and general attitude around the school. I'm proud of you!"*

**Congratulations,** and really well done to everyone.

Well done to Ellie who received her award from The Lord Mayor of Exeter, Councillor Trish Oliver last Friday at our Celebration Assembly.

Year 6 Leavers Assembly. Thurs 21st July.

Last day of the summer term. Thurs July 21st 2022. School re-opens again Monday 5th September 2022.

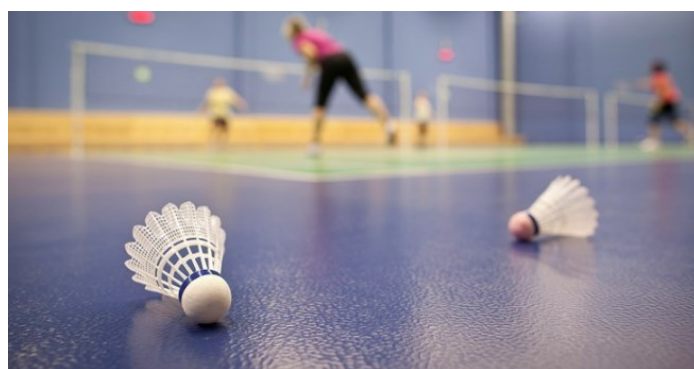

Current government guidance suggests that **Children and young people who are unwell and have a high temperature** should stay at home and avoid contact with other people. They can **go back to school**, college or childcare when they **no longer have a high temperature, and they are well enough to attend.**

**Adults with a positive COVID-19 test** result should **try** to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. **For children and young people aged 18 and under who have a positive COVID 19 test** the advice will be 3 days.

Regular asymptomatic testing is no longer recommended in any education or childcare setting and the school. The government website states that the population now has much stronger protection against COVID-19 than at any other point in the pandemic.

**Leap into action with a Summer of sport and physical activity.** A summer of free physical and sports activities in Exeter gets underway this month. The programme is being launched by Inclusive Exeter in partnership with Live & Move, the Sport England Local delivery Pilot for Exeter and Cranbrook, designed to make lives better by encouraging people to be more physically active every day.

Run by members of the various ethnic minority based community groups and associations, under the Inclusive Exeter umbrella, the activities aim to reach people from those communities for whom access to sports facilities and group activities can be limited or present certain social or language barriers.

Other activities over the Summer include Volleyball, held at the Riverside centre every week and led by members of Exeter's Afghan community. There will be Zumba classes, run by Filipino Association, every weekend at Newtown Community Hall and women's Yoga sessions, held at The Mint Methodist Centre, each week.

All activities are free and open to anyone, For more information on Live & Move visit the website at <https://liveandmove.co.uk/>
