Dear Parents

### Parent Questionnaire Feedback

Thank you on behalf of the governors and school management team for completing the Parent Questionnaire in March. We were so pleased that 68 families representing 89 children completed the survey. That's a 51% return rate - a good representation of parents' views!

Your feedback was overwhelmingly positive and there were some lovely comments about our "brilliant village school". We have included a brief insight into the key findings on the reverse.

The results are now in discussion within the governing body and feeding into strategic plans. A clear priority for us to focus on and improve is **parental communication**. Our plan is to communicate more regularly with parents and we, as the governors, will be updating you on the progress we have made in these areas.

If you have any questions or require more details as a follow-up to this feedback, we would be happy to oblige. A complete feedback report will be available on the school website soon.

As we are preparing ourselves for an expected Ofsted visit this year, we kindly encourage all parents to register online with **Parent View** ([www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk)) which will give you the chance to tell Ofsted what you think about our school. The short survey can be completed at any time and you don't have to wait until the school is being inspected.

On behalf of the governors and the school I would also like to thank one of our parents, Mrs Sue Taylor, who assisted us with the analysis of the questionnaires in her professional capacity as research analyst.

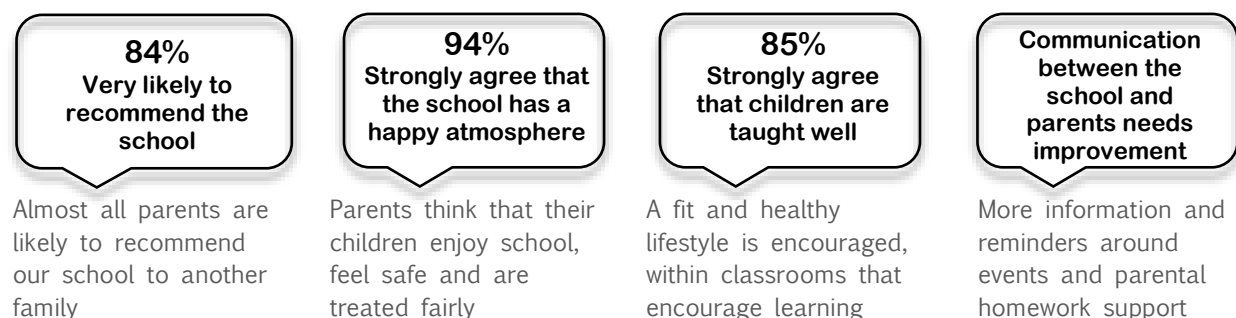

Help us to become OUTSTANDING in all areas of our vibrant and happy school!

Kind regards

Annelie Binks  
Chair of the Governors
