Date: 11<sup>th</sup> May 2026

## **CONTENTS:**

1. The purpose of the policy
2. Legal position and other requirements: summary
3. Admission of children outside their normal age group to WA
4. Secondary school transfer admissions
5. In-year (mid-term) transfers (all year groups) whether in-catchment or not
6. Processing parental preferences
7. Priority criteria for Autumn 2026 admissions and mid-term applications during 2026/2027 academic year
8. Children who move out of or into the catchment area including late and or mid-term applications
9. Withdrawal of places
10. Mid-term applications
11. Appeals
12. Second application (further appeals)
13. Errors
14. Exceeding the admission
15. Miscellaneous:
  - Catchment area definition and how to find out the catchment area school for your home address
  - Determining home address/parental proof of residence
  - Clarification of home address where the family's current address is deemed temporary multiple addresses
  - Oversubscription lists
  - Circumstances in which an application might be refused– children with challenging behaviour and twice excluded students
  - Children with Educational Health and Care Plans (EHCP) (Special Educational Needs and Assessment (SENA))
  - Children from overseas
  - Acceptance or refusal of offers; withdrawal of places or of offers of places
  - Children with split residence
  - Children of UK Services personnel and other Crown Servant

## **For Secondary and Mid-Term Transfer in 2026/2027**

The Schools Admission Service at Leicestershire County Council processes all admissions to Wigston Academy for Key Stage 3 and 4.

### **Introduction**

The Trust prides itself on upholding the values of 'Learn, Aspire and Achieve'. To this end the school and the Trust fully endorse the principles of comprehensive education and equal, fair access in terms of admission.

Within this document 'WA; relates to Wigston Academy', LCC or the Council' refers to Leicestershire County Council.

The purpose of this policy:

WA is the admission authority: This policy sets out the admission arrangements for the purposes of allocating school places at WA.

### **Scope of the Policy**

1.0 This policy sets out the admission arrangements that will apply to any applications for admission to WA.

1.1 For the purposes of this policy, parents and carers are collectively referred to as parents, which includes but is not limited to natural parents, those who have day-to-day care of a child and/or parental responsibility.

1.2 Where one parent objects to a school application made by the other parent, and to prevent the application from being processed, the School Admissions Service will require a court order. In such circumstances, the application will be paused for seven days (following a letter from a solicitor confirming a court order request has been submitted) to allow the objecting parent time to obtain the court order.

### **Legal Position and Other Requirements: Summary**

2.0 WA is the admission authority and it must determine (confirm) its admission arrangements to these categories of schools for subsequent academic years by 28<sup>th</sup> February following a formal consultation as prescribed in the National School Admissions Code.

2.1 In preparing its admission arrangements, WA adheres in full to the requirements and arrangements surrounding consultation and determination detailed within the School Admission Code. Where any changes to admission arrangements are proposed, WA will undertake a minimum 6 week consultation period between 1<sup>st</sup> October and 31<sup>st</sup> January. Parents, schools and local groups with an interest in the local area must be consulted. Consultation is only required to take place every seven years if the admission arrangements have not materially changed since the previous consultation.

2.2 LCC is required to co-ordinate applications for all residents in this area. To this purpose it has an approval scheme for co-ordination which is published on our website. (Co-ordination includes applications for secondary transfer at the normal year of entry for that school and mid-term (in-year) applications).

2.3 Parents have a right to express a preference for a school place, including where the child has an Education, Health & Care Plan. Parents must ensure their children receive suitable full-time education by attendance at school or otherwise once the child has reached compulsory school age.

2.4 WA has an Admission Number (AN) for normal point of entry. The PAN is 260 in Year 7.

2.5 WA will only admit children up to the admission number except in certain limited circumstances (see Sec 4 and 17) and will ordinarily consider that anything over and above that number would be prejudicial to the efficient education and/or efficient use of resources.

2.6 WA must allocate any places in schools according to objective and transparent criteria. Where the admission number has not been reached, WA will allocate a place at that school except where paragraphs 15.10 regarding twice excluded students and 15.11 regarding Fair Access Protocol.

2.7 Parents who have their application to WA refused have a right to appeal to an Independent Appeal Panel. The decision of an Independent Appeal Panel is binding on parents, the Council and the governing body of the school.

2.8 LCC has a statutory power to request the admission of a Looked After Child (LAC) to a school, and WA could be such a school.

2.9 The law requires Children with an Education Health and Care Plan (EHCP) which names a school by their parents are allocated the place and not subject to conditions set out within this policy.

## **Admission**

3.0 At the point of first time admission to secondary school, parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.

3.1 To request delayed entry parents should make an application for their child's admission to their normal age group at the usual time, in accordance with this policy. Within that application parents should also submit a request to LCC for admission outside of the normal age group. Further information about the process will then be provided to parents upon their request for admission outside of the normal age group or by contacting the School Admissions Service.

3.2 Decisions will be made by a panel of Local Authority (LA) professionals based on the circumstances of each case and considering the best interests of the child concerned, including the Headteacher's view. This will take into account:

- Parents' views;
- information about the child's academic, social and emotional development;
- where relevant, their medical history;
- any views of medical and other professionals;
- whether they have previously been educated outside of their normal age group;
- whether they may have fallen into a lower age group if the child was not born prematurely; and
- the views of the Headteacher of the school concerned

3.3 Decisions made by the Admitting Authority will be clearly set out in a letter. The letter will contain a full explanation to the parent of how the decision was arrived at, as well as what recourse is available if the request is refused.

3.4 Where LCC and WA agrees to the parent's request for their child to be admitted to a year out of their normal age group, it will be necessary for the parent(s) to apply again for a place at secondary transfer at an appropriate time a year later as part of the co-ordinated admission process. If that application is successful, the child will be admitted into Year 7. However, parents must be aware that any such consent will not guarantee them a place at WA.

3.5 LCC will process any such application as part of the main admissions round, and alongside other applications for that age group on the basis of determined admission arrangements only including the priority criteria when this applies. Where an application is late, it will be considered after on-time applications.

3.6 Any agreement by WA to delay entry or be admitted in advance of their chronological age group will only apply in relation to the school identified by the parents.

3.7 At the point of transfer to secondary school it will be a matter for WA, in conjunction with LCC, to determine whether to approve any request for a child to be admitted outside of their chronological age group.

3.8 Parents' statutory right to appeal against the refusal of a place at WA does not apply if they are offered a place at the school but it is not their preferred age group.

## Secondary School Transfer Admissions

4.0 Parents will need to submit an application for admission to WA in accordance with the closing date for applications which is set out within LCC's co-ordinated admission arrangements. Admissions Timeline Secondary Transfer:

- 31 October - Closing date for applications to the Local Authority (LA)
- 28 February - Publication of appeals timetable on LA website
- 1 March (or next working day) - National offer day for secondary school places
- April to August - Appeals process and outcomes
- August - New intake starts at school

4.1 For those parents that live in Leicestershire, LCC will confirm decisions for applications from the national offer date 1<sup>st</sup> March (or on the next available working day if the 1<sup>st</sup> March falls on a weekend/Bank holiday).

4.2 For those parents that do not live in Leicestershire, LCC will confirm decisions to the relevant home local authority who will in turn inform the parents of the decision.

4.3 Places will be allocated up to the Admission Number (AN).

4.4 All applications received by the relevant closing date (see co-ordinated scheme for dates) will be considered first. Where there are more applications than places, these will be ordered in accordance with the approved priority criteria (see section 10). All late applications received after the closing date will be considered after those that have been received on-time. In exceptional circumstances, late applications may be considered as on time where the parent is able to evidence the reason for lateness was beyond their control i.e .LAC and PLAC, forced re-location, new school opening etc. However, late applicant families who are already resident within the catchment area and have moved to another address within catchment will not be offered a place at the catchment school in those circumstances, if it is full.

Applications received beyond 4 weeks post-closing date cannot be considered under exceptional grounds, as it is too late to add them to the process.

4.5 LCC's decision will either be to offer a place at WA or refuse the place because the admission of another child would prejudice the provision of efficient education or efficient use of resources. A refusal letter will also explain to the parent their right to appeal.

## **In-year (mid-term) Transfers (all year groups) whether in-catchment or not**

5.0 Mid-term transfer requests (in-catchment or otherwise) will be co-ordinated through the LCC's School Admissions Service. The best way to apply is through the LCC's mid-term application form (Common Application Form) available online. A paper application form is also available on a request from the Local Authority (Leicestershire 0116 305 6684) (Leicester City 0116 454 1009) before applying parents are encouraged to arrange to contact WA to make an initial enquiry).

5.1 The council will aim to notify the parents of the outcome of their application in writing within 10 school days and must notify in writing within 15 school days. Delays may occur (i.e. proof of looked after status or previous looked after status, house purchase, tenancy agreement, fair access information for complex or out of authority applications etc) or during busy periods (such as during the normal admissions round or due to when schools are closed i.e. during school holidays).

5.2 The decision will either offer the place or refuse the place because the admission of another child would prejudice the provision of efficient education or efficient use of resources. A refusal letter will also explain to the parent their right to appeal, and how they should do this.

## **Processing Parental Preferences**

6.0 Application forms for school places allow parents to express up to three preferences for school places. Parents should rank their preferences in order with 1 being highest and 3 being lowest. Where a place can be offered at more than one preference, only the highest preference will be offered. Applications will be prioritised according to the admissions criteria.

6.1 Applications received after the closing date for submission shall only be considered after all other applications which were received on time, unless there is a significant reason for lateness. In exceptional circumstances, late applications may be considered as on time where the parent is able to evidence the reason for lateness was beyond their control i.e. children in care, forced re-location, new school opening etc. However, late applicant families who are already resident within the catchment area and have moved to another address within catchment will not be accepted children and will not be offered a place at the catchment school in those circumstances, if it has reached the PAN.

Applications received beyond 4 weeks post-closing date in the normal round cannot be considered under exceptional grounds.

6.2 Parents may vary the order of the schools for which they have expressed a preference by logging into their account before the closing date. If on the rare occasion they need to change preference order after the closing date, they must contact the School Admissions Service for further advice.

However, post the closing date if a new school is added, then that school preference will be considered as a late preference

**Priority Criteria for Autumn 2026 Admissions and Mid-Term Application during 2026/2027 Academic Year**

7.0 Priority will be given to children whose parents applied on time and ranked in accordance with the priority criteria set out below. Where any applications are tied, the next relevant criteria will be used to determine which application should be offered the place, if they still have identical ranking then lots will be drawn (see section 7.1 below):

|     |   |
|-----|---|
| 1st | Children who are looked after and those children who were previously looked after children. (See note i.)   |
| 2nd | Students who live in the catchment area. (See note ii.)   |
| 3rd | Students who will have a brother or sister attending the same school at the same time at the point that they are attending. (See notes iii.)  |
| 4th | Students who have a serious medical condition or exceptional social or domestic needs that make it essential they attend the school requested. (Professional documentation confirming the situation must be submitted with the application.) (See note vi.) |
| 5th | Students who are attending a feeder school at the point of application. (See note v.)<br><br>Our feeder schools are:<br>All Saints C of E School<br>Little Hill Primary<br>The Meadows CP School<br>ThythornFieldSchool<br>Waterleys CP School              |

|     |  |
|-----|--|
| 6th | Students living nearest to the school measured in a straight-line distance (home to school front gate). (See note vi.) |
|-----|--|

Notes:

i. A ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

‘Previously looked after children’ are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
- Children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002. 24
- Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

ii. For the purpose of processing a school application a single home address must be used. The child’s place of residence is taken to be the parental home at which they normally reside. Where parents claim equal or dual residency they must prioritise one address over the other, or risk the application not being processed. For children of UK service personnel (UK Armed Forces) and crown servants a unit postal address or quartering area address that has been formally declared by an official letter will be used as the home address prior to arrival into the UK.

iii. The term sibling relates to:

- Brothers and/or sisters who share the same parent(s)

- a half-brother, half-sister or legally adopted child living at the same address
- a child looked after by a local authority placed in a foster family with other school age children
- a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.

iv. If criterion 4 is used, when making an application parents should send evidence from an independent professional person who knows about the child and supports the application to the school. It must clearly show why the school is the most suitable and any difficulties if alternate schools were offered. An independent professional person, for example a health professional, social worker, teacher/early years professional or support worker or such other appropriate person. The evidence must be supplied and must be submitted with the application for a school place.

The following list are the areas that are considered exceptional:

- a) Children with a serious medical condition– showing that the needs of the child can only be met at the specific school and why other schools would not be able to meet this need, or a child has an exceptional illness or disability (for example, limited mobility) which means that, the child can only reasonably attend one school.
- b) Children subject to Child Protection Plans and Child in Need Plans and the child can only reasonably attend one school.
- c) Parents suffering domestic violence (this is dependent on documentary evidence by a lead professional for example a health professional, social worker, teacher/early years professional or support worker or such other appropriate person).

The Academy will make the decision during the processing period in consideration with relevant professional documentation.

v. For criterion 5 above, the child must be on roll at the feeder school at the point of application.

vi. For criterion 6 above, measurement of distance of up to three decimal places will be in a straight line from the centre point of the property to the school's main designated front gate, using a computerised mapping system. Where there is equal distance then lots will be drawn, supervised by an independent officer (see section 7.1).

7.1 If, two or more applications have identical ranking following applying all the above criteria in priority order, lots will be drawn. The drawing of lots will be undertaken by a senior officer in the Children and Families Department, supervised by an officer of LCC from another department that is independent of the Council's School Admissions Service.

## **Children Who Move Out of or into the Catchment Area including Late and or Mid-Term Applications**

8.0 A child who is already attending a school and whose place of residence changes to an out-of catchment address is entitled to continue attending that school. However, any subsequent applications, as a mid-term or at the point of transfer to a junior or secondary school, must be made using the new address.

8.1 Where a family have made an application they must notify LCC of any change in their address as soon as possible after the move.

8.2 Where a family have applied for or been offered a place at WA and move home during the course of the admissions process (i.e. after the closing date for transfers but before they start) they must notify LCC immediately.

8.3 During the normal round the latest date a proof of change of address can be accepted for the purposes of an application that has already been submitted is the 16<sup>th</sup> November for secondary transfers. Home moves will not be accepted without proof (see section 15.7). Where proof is received beyond the above respective 'Fridays', the applications will be considered a late.

### **Withdrawal of places**

9.0 Once a place has been offered at WA, LCC may withdraw that place prior to starting school where it has been established that:  
the place was offered in error;

or it is established that the place was obtained through a fraudulent/intentionally misleading application; or where the parent has not responded within a reasonable time.

### **Mid-Term Applications**

10.0 For applications made outside of the normal round of admissions i.e. seeking to move school part way through an academic year, where a place exists at WA it will be offered.

10.1 Where an application is made to WA, if it is oversubscribed, a place may still be offered subject to the following:

- I. WA is the catchment school for the new address; and
- II. documentary evidence of the house move is provided (see section 18.7); and
- III. there is no alternative school within a reasonable distance which has available places in the relevant year group. Reasonable distance for these purposes is 3 miles from WA, measured as the shortest safest walking route from a geocoded point at the centre of the home address to WA's front gate using an electronic mapping tool– and

- IV. the application is made within 90 calendar days of the family first moving into the property and the application requests a start date of no later than half a school term from the point the application was received; or
- V. that the child has/will have a sibling attending WA at the same time.

10.2 Applications submitted in accordance with this section the council will aim to notify the parents of the outcome of their application in writing within 10 school days and must notify in writing within 15 school days. Although there may be delays during the main round for applications and appeals. LCC will notify parents of the outcome of their application confirming that the application has been accepted or setting out the reason it has been refused.

## **Appeals**

11.0 If an application for a school place is refused, a refusal letter is issued, which will set out the reason for refusal and the right to appeal. Parents have a right to appeal to an Independent Appeal Panel.

The decision of an Independent Appeal Panel is binding on parents and the admitting authority.

To appeal please go the Leicestershire County Council website–  
<https://www.leicestershire.gov.uk/educationand-children/schools-colleges-and-academies/schooladmissions/appeal-a-school-place-and-check-waiting-listsonline>

## **Second Applications**

12.0 Ordinarily parents may only make one application for any particular school per academic year. In exceptional circumstances, and at its sole discretion, LCC may allow a further application to be made where there has been a significant and material change in the circumstances of the parent, the child or the school.

12.1 The following is a non-exhaustive list of what may be considered to be exceptional:

- change of address i.e. where the change of address is into the catchment of the school;
- new significant and material evidence has come to light in your personal circumstances;
- a significant change in medical circumstances (apart from medical attention for distress or anxiety as a result of unsuccessful applications/appeals);
- there has been a significant and or material change in the circumstances of the school, i.e. significant extensions/new build, an increase in their AN, increase in the number of teaching staff.

12.2 In such instances parents must provide LCC with written details of the

significant and material change together with any evidence of that change. Where the significant and material change is accepted by LCC a second application will be permitted and must be made in the usual way and will be processed in the normal manner and, where necessary, in accordance with the priority criteria.

## **Errors**

13.0 Where LCC has made an error in the processing of an application for a school place at WA, and it is established that had the error not occurred it would have resulted in the applicant being offered a school place, LCC will offer a place at the school.

13.1 Applicants are responsible for the accuracy of all and any information which they submit. LCC takes no responsibility for incorrect information submitted (i.e. an incorrect date of birth, failure to mention sibling(s), failure to provide supporting evidence etc) or the impact that such information may have on the determination of their application. Where applicants become aware of such errors, they should notify LCC as soon as possible.

## **Exceeding the Admission Number (AN)**

14.0 At the point of secondary transfer (i.e. normal round of applications), if there are more requests for in-catchment children than the admission number (AN), the AN will not usually be exceeded, apart from exceptional circumstances.

14.1 For applications made outside of the normal admissions round (e.g. mid-term applications) where the AN has been reached, applications will be refused, subject to section 10.1

14.2 In certain exceptional circumstances WA may request that the AN can be exceeded. Any such request by a school must be agreed by the Trust whilst informing the LA. Where necessary, LCC will publish details of any variation to increase the AN of a particular school on its website.

14.3 For the avoidance of doubt, discretion to exceed the AN shall rest solely with WA. In reaching any decision WA will consider the views of interested parties.

14.4 Parents will still submit their application in the usual manner. LCC will determine those applications in the following way:

- a) Where the decision to increase the AN is made before the National Offer Date, applications will be processed in the normal way with on-time applications being considered first and with places being offered in accordance with the priority criteria up to the increased AN. If there are any places available after on-time applications, places will be offered to those late applications ranked according to the priority criteria;
- b) Where the decision to increase the AN is made after the National Offer Date,

- the Council will offer any additional places as per the priority on the waiting list up to the increased AN alongside any further applications received;
- c) Where the decision to increase the AN is made at a time when no waiting list is being held, LCC will offer places on a first come, first served basis, up to the increased AN.

14.5 For the purpose of this section, exceptional circumstances may include but are not limited to:

- a) An independent appeal outcome in the parent's favour.
- b) The admission of children who are subject to Leicestershire's Fair Access Protocol.
- c) The admission of children who would have siblings in the school.

## **Miscellaneous**

### **Catchment Area Definition and How to Find Out the Catchment Area School for Your Home Address**

15.0 WA has its own catchment area, which is defined as the geographic area from which students/students are eligible to be considered under criterion 2 (see section 7). The HOME ADDRESS determines in which catchment area you reside (definition of home address see section 10 note (ii)).

15.1 If you are unclear in which catchment area your home address falls please contact LCC's Customer Service Centre on (0116) 305 6684.

15.2 Where a family have equal split residency arrangements and the child resides either in the same school catchment or lives in two catchment areas, parents must prioritise one address.

### **Determining Home Address / Parental Proof of Residence.**

15.3 In determining an application for a school place, LCC may request evidence of an address or of a move into a catchment area or arriving in the UK. Such evidence may include but not be limited to:

- Opening Council Tax Bill;
- Signed and dated copy tenancy agreement;
- Copy of a letter of completion of house purchase from a solicitor.

In addition to the above, you may also be asked for:

- Copy of child benefit letter;
- Copy of current driving licence;
- Copy of registration at GP practice or hospital consultant.

Where a family has moved in with relatives or friends (including new to UK);

- A declaration from parents and householder / homeowner / relative / friend confirming the applicant family now reside at the address;
- A copy of most current council tax bill from occupier;
- Stamped passport or visa; boarding passes.

Where LCC does not consider it has been provided with satisfactory proof of address, the application will not be processed until LCC is satisfied that adequate proof has been obtained.

### **Clarification of home address where the family's current address is deemed temporary multiple addresses**

15.4 For the purpose of this policy the following will be accepted as the home address:

- a) Purchase of a second property by a family, while the first property is retained, where the family moves to the second address and provides proof of residence– as set out in section 15.7; or
- b) Rented accommodation while a previous property is retained. The family must provide satisfactory evidence to LCC that the rented accommodation is their primary residence through proof of residence and by demonstrating that the old property is not being occupied by them. In that instance, LCC must be provided proof of zero/vacant occupancy (i.e. discounted council tax, see section 15.7); or
- c) Temporary living arrangements whether living with relatives or not i.e. whilst re-furbishing, building or decorating the permanent home address. The home address will be taken as the one where the family can provide proof of residence– see section 15.7; or
- d) Where because of reasons beyond parental control a house move has been imposed on the family or children (i.e. fleeing domestic violence (refuge address), safe home (witness protection), home repossessions, losing your home through an 'act of god' i.e. home destroyed, etc), subject to supporting documentation; or
- e) Where the parent has been hospitalised and the children have been placed with a relative or carer, the temporary address will be accepted for the purposes of a school application on proof of hospitalisation i.e. a letter from a medical professional and a declaration from the relative or carer of the arrangements.

### **Oversubscription Lists**

15.5 LCC will maintain an oversubscription (waiting) list for transfers from primary to WA for Year 7.

15.6 The oversubscription (waiting) list is ranked in the same order as the published oversubscription criteria and not by date of application. The list will be held after national offer date until the 31<sup>st</sup> December of that year.

15.7 Applications received after the National Offer Date will be determined as mid-term applications. Any applications that are refused before 31<sup>st</sup> December will also be automatically placed on the oversubscription (waiting) lists.

15.8 LCC does not hold waiting lists past 31 December in relation to any mid-term applications. At any point while on the oversubscription (waiting) list, the family's circumstances change and LCC has been made aware, the application will be reassessed and the lists will be re-ranked in accordance with the priority criteria. Where a family has failed to notify LCC of such a change and is subsequently offered a place, that place may be withdrawn in accordance with section 9.

### **Circumstances in which an application might be refused– children with challenging behaviour and Twice Excluded Students**

15.9 Where a child has been permanently excluded from two or more schools, there is no obligation for WA to comply with parental preference for a period of two years from the last exclusion. This does not apply where exclusion was before the child was of compulsory school age, for children who have been re-instated following a permanent exclusion or for children with special educational needs statements or Education, Health and Care Plans.

15.10 In addition to this, applications for vulnerable children who have been unable to secure a school place outside of the normal admissions round may be referred for consideration under the Fair Access Protocol. Further details about this can be found on LCC's website. Parents should be aware that where children are considered under the protocol, the protocol has no obligation to comply with school preference rights (although it will be considered) in seeking to secure a school place. However, there is nothing to prevent a parent from applying for a different school at that time– any such application will be considered in accordance with the usual process.

15.11 For those of secondary school age the relevant Area Behaviour Partnership will be responsible to place the student with support as necessary.

15.12 Parents are not precluded from applying for a school place even whilst the FAP is ongoing.

15.13 For those children who have been permanently excluded and are in a transition phase (i.e. transferring from Year 6 to Year 7), all exclusions are expunged and the receiving school must take the child.

## **Children with Education Health and Care Plans (EHCP) (Special Educational Needs and Assessment (SENA))**

15.14 All applications that have an EHCP will be forwarded to SENA for their consideration and processing.

### **Children from Overseas**

15.15 Applications from non-UK nationals will be processed in accordance with this policy.

15.16 If the Council have any concerns as to the child's leave to remain the UK and/or entitlement to state education, such concerns shall be referred to the Home Office.

### **Acceptance or Refusal of Offers; Withdrawal of Places or of Offers of Places**

15.17 In the normal admissions round when offers for secondary transfers are made on national offer date of 1<sup>st</sup> March, places will be assumed accepted unless refused.

15.18 For mid-term applications (outside the normal round), parents must respond to any offer of a school place within 20 days of the date of that letter directly with the offer school to make starting arrangements.

15.19 Where no response has been received within 20 school days of the start of the school term or the date of the offer letter (as may be appropriate), a reminder will be sent explaining that the place may be withdrawn if they do not respond to the offer. Parents will be afforded a further 10 school days to take up the school place. If no further response to the offer (either accepting or refusing it) is received then the offer of a place will be withdrawn.

### **Children with Split Residence**

15.20 Where a child lives for part of the week with one parent and for part of the week with the other parent, the address recognised by the Council for the purposes of an application for a school place is the one where the child lives for the majority of the school week– Monday to Friday.

15.21 Where the weekly residence arrangement varies, and a child stays with both parents, on average, for the same amount of time during the school week over a four-week period, and one parent lives in another school catchment, the parents will be required by the Council to choose one address for the purposes of completing a school application. Where parents cannot agree a single address, the Council will require parents to seek a Court Order to determine which address is to be used.

15.22 Where any claimed residence arrangement is found to be false, and the child is yet to start at the allocated school, the place will be withdrawn as it will be

considered obtaining the school place on fraudulent and/or misleading grounds. In such circumstances the application will be considered afresh and determined at that time based on the correct information.

### **Children of UK Service Personnel and other Crown Services**

For children of UK service personnel with a confirmed posting to the area or crown servants returning from overseas to live in the area, the Council will use the address at which the child will live when applying the oversubscription criteria, as long as the parent provides some evidence of their intended address. A unit or quartering address will be used as the child's home address where a parent requests this and evidence, such as an official letter declaring the relocation, is received.

For families of service personnel with a confirmed posting, or crown servants returning from overseas, the admission authority will:

- a) Allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. This must be an official government letter issued by a government department e.g. FCDO, UKVi, DIT. We will not refuse to process an application or refuse a place solely because the family do not yet have an intended address, or do not yet live in the area.
- b) Use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. For example, we will use a unit or quartering address as the child's home address where a parent requests this.
