Semi-Formal Curriculum Sequential Planning EYFS & Key Stage 1

Each term has five nature based themes. Themes may last from one week to one month, dependent upon pupil interest and engagement. Alongside nature-based themes, continuous provision will maintain the same so that children explore their classroom environment and plan their learning and play with increasing independence. We have a child-led approach understanding that children learn best through play engaging with activities and resources that are appealing to them. *For more detailed planning, please refer to Wanderlust Child Nature Study.*
