Attendance/punctuality

Attendance and punctuality are extremely important for children for their academic success and social development.

Academic Success

Regular attendance ensures children don't miss out on important lessons, class discussions, and activities.

Punctuality helps them start the day focused and ready, avoiding disruptions and missed instructions.

Falling behind due to absences can create learning gaps that are hard to recover from.

Social Development

Boosts Confidence and Engagement. Children who are present and on time feel more connected to their classmates and school environment. They are more likely to participate, make friends, and feel confident in their learning abilities.

Linked to Better Outcomes

Research consistently shows that students with good attendance and punctuality perform better academically and socially.

Reading Challenge

- Promoting a love for reading is invaluable to children's education.
- Children will have book bag reading books which will be changed weekly. Please see your child's Reading Log Book to see what day they are changing their book on.
- Please comment on your child's reading at home as this is counted and goes towards earning reading rewards. You do not need to count the reads up as this will be done in school.
- Children receive a place on the KS1 Reading Garden for reading 25, 50, 75, 100, 125, 150, 200 etc. up to 300 reads. When a child achieves 300 reads, they are able to choose a book up to the value of £10.

Phonics

- Children have phonics each day in sets. 45 minute = 15-20 minutes Speed Sounds + 20-25 minutes storybook.
- The books that children bring home are intended to be easily decodable. This is so that they can build up their fluency and comprehension.
- Please encourage children to talk about what they have read, answer questions at the back of the book and use expression when reading.

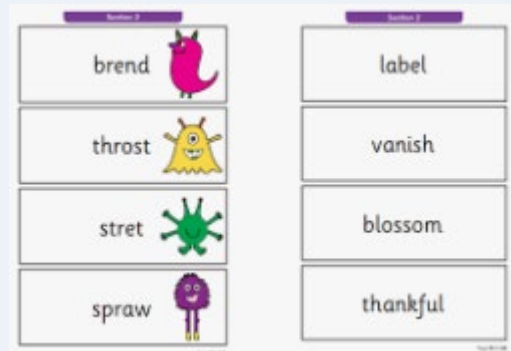

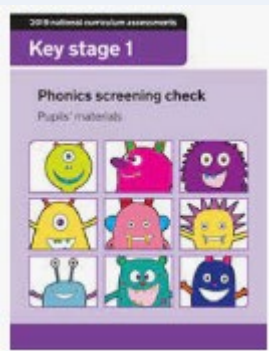

Parent's Phonics Meeting *Details TBC*

- The children will be expected to read a range of 'real' and 'fake' words to the best of their ability.
- Children will need to resit this assessment if they do not pass the check in Year 1.
