

Year 1

NEWSLETTER

13th March 2026

Science

In our science unit all about animals, we will be grouping animals into mammals, amphibians, birds, reptiles and fish.

Here is a fun game to play to test your knowledge before next week:

Homework

Handwriting:

<https://www.letterjoin.co.uk/log-in.html>

Username: park + Password: hill

Reading at Home:

Please read three times a week and record in your child's diary. Please bring your physical book back on Monday.

English/Phonics

We will continue with our fact file work. We will be moving on to herbivories, looking at giraffes! We will be creating a mind map of great facts, to help us write up a fact file. We are continuing to focus on capital letters, finger spaces and full stops.

Phonics

In phonics, we are going to revisiting sounds from Year 1 Autumn 1 and Spring 1. We will be going over gaps we might have from phonics assessments, focusing on sounds that are going to come up in our Phonics Screening in June.

Maths

We are learning more about numbers beyond 20, including partitioning into tens and ones and counting on number lines.

You can watch these videos with your child to support their learning at home:

Reminders

The fire service will visit us on Monday morning to finish off their talk (they had to leave quickly last time!)

Friday is non-uniform day. Don't forget your gifts for the Easter raffle boxes (see the PTA newsletter)
