

## What is your child learning this half term in Year 2 ?

<b>Art</b>	In Art this term pupils will learn to respond to a design brief, learn three techniques for working creatively with materials and at the end of the project ( Map it out), evaluate their design ideas.	<b>Geography</b>		<b>PE</b>	In PE this term pupils will learn all about Yoga and how to hold different animal poses. Also they will be learning how to throw and catch effectively in their Target games sessions.
<b>Computing</b>	In Computing this term pupils will learn what a computer is and how they help us. They will learn about inputting and managing data.	<b>History</b>	In History this term pupils will learn all about William Caxton and the printing press. They will look at how this changed the way we communicate.	<b>PSHE</b>	In PSHE this term pupils will learn that the choices they make can affect their heart and others around them. They will learn how to use their power positively.
<b>Design and Technology</b>		<b>Maths</b>	In Maths this term pupils will learn about place value up to 100, adding and subtracting 2 digit numbers, including crossing ten.	<b>RE</b>	In RE this term pupils will learn about Muslims and what they believe. We will be reading stories and learning about the 5 pillars.
<b>English</b>	In English this term our pupils will be using the book "Troll Swap" to learn how to use /and/ to join clauses together. They will also be learning to use expanded noun phrases in their description writing.	<b>Music</b>	In Music this term pupils will learn about pulse, rhythm and pitch through a variety of songs.	<b>Science</b>	In Science this term pupils will be learning what animals need for survival.
