Dear Parents/ Carers,

It was great to welcome Tim from South Devon Nature Trust back to school this week to work with some of our children. Class Victory and Invincible had a fantastic time taking their science learning outdoors and exploring the natural world in hands-on ways.

On Tuesday, we welcomed curriculum leaders from the Trust who visited to quality assure our English curriculum. They were incredibly positive about the progress seen in children's writing books and were particularly impressed by some of the wonderful work produced by Class Endeavour. I'm so proud of our children and staff for their hard work and commitment.

We also had the pleasure of welcoming our new Reception families on Wednesday. It was fantastic to see our September starters settle so well and enjoy an afternoon of playing, exploring, and making new friends. We're excited to see them again over the coming weeks as they continue to get to know our school.

Thank you, as always, for your continued support.

Kind regards,
Chris Harrison
Headteacher

Class Challenger

This week Class Challenger have been immersing themselves in the story of 'The Lighthouse Keeper's Lunch'. We have made seagulls and weaved picnic blankets. In Maths we have been using the language 'greater than, less than and equal'. We have also enjoyed practising for Sports Day.

On Wednesday we opened the doors to welcome our new Reception Class and their Parents who will be starting at Stoke Fleming Primary School in September.

Children and Parents took part in the following activities;

painting, weaving, card making, block play, construction, garden play, sand play, board games, role play and building.

We look forward to two more visits from our new intake of children.

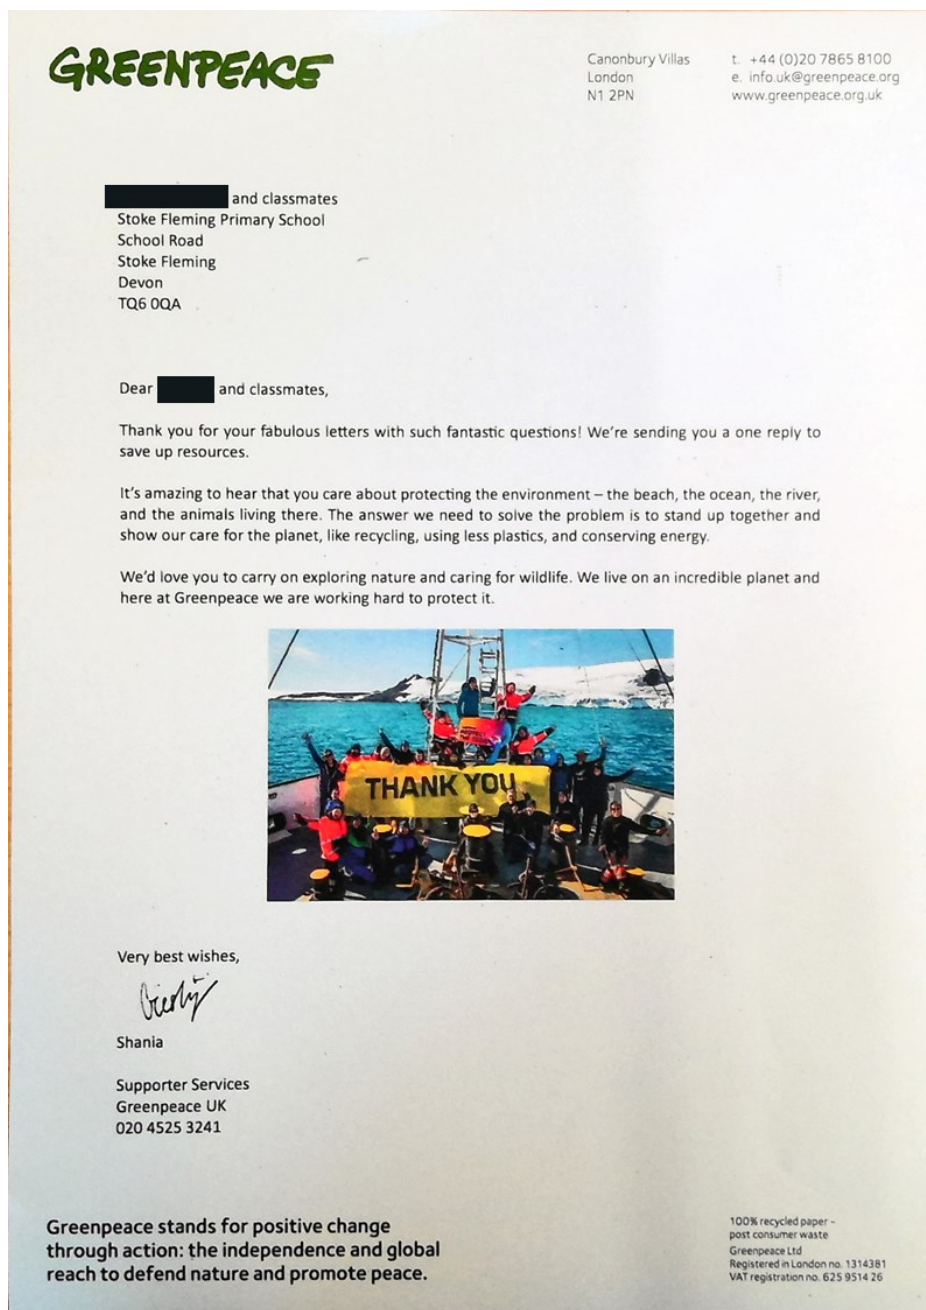

Class Victory Receives a Letter from Greenpeace!

Recently, the children in Class Victory wrote passionate letters to Greenpeace, sharing their concerns about a range of local and global environmental issues. From plastic pollution to deforestation, they expressed thoughtful ideas and a clear desire to protect our planet.

To the children's delight, they have now received a group response from Greenpeace! The letter praised their enthusiasm and encouraged them to keep raising their voices for the environment. It was a wonderful reminder that even young people can make a real difference.

Class Victory were thrilled to know their letters had been read, and the response has only deepened their commitment to being champions for the Earth.
