Spring MENU
Week 1

At Sacred Heart this week

At whole school collective worship this week, we looked at the Gospel Luke 17:5-10 where Jesus once told His friends that if they had faith as small as a mustard seed, they could do amazing things.

Jesus used this to show that:

- Even a little bit of faith in God is powerful.
- Our faith, The Kingdom of God, and great things in general, grow in time.

We took mustard seeds back to our classrooms to grow and help remind us of this important message.

3W led the first class collective worship of the year. Their theme was Care of Creation – God has created a beautiful world for us to live in. They asked us to remember all the ways in which we can look after God's world and that each action makes a difference, no matter how small. Well done 3W and Mrs Wootton.

This week we have also begun *One World October!* Children have been asked to bring in items from their own culture, or from another culture, and share them with their class and other classes.

This activity not only develops their oracy skills but also helps them learn more about the rich variety of cultures represented in our school.

PTA AGM - We recently had our PTA AGM. Through a variety of fun and purposeful events, our PTA raise vital funds for school resources - from playground equipment to classroom technology and library books. Every contribution, big or small, helps make learning more exciting and impactful.

There are lots of events happening this term. Please check out their page on our website with details of these events, how to support them and how to get involved.

Safeguarding Notice

NB. At the beginning and end of days, class teachers' responsibility is with the children in their care. If you have a question/query, please use the year group email and it will be answered as soon as possible.

Wishing you a lovely weekend.

Important Safeguarding Notice: Children's "Spy" Books

We want to make you aware of a recent issue affecting some popular children's books by Andrew Cope, including the *Spy Dogs*, *Spy Cats*, and *Spy Pups* series.

Some editions of these books include a printed web address at the back. This link used to go to the author's website, but the domain is no longer under his control. It has since been taken over by another party and now leads to inappropriate adult content.

The publisher, Puffin, has paused sales and distribution of the books and is working with schools, libraries, and retailers to remove copies from circulation. They have stressed that the website has no connection to the author or publisher.

What this means for you:

- If your child has any *Spy Dog*, *Spy Cat* or *Spy Pups* books at home, please check the back for website links and make sure they do not try to visit the site.
- It is safe for children to continue reading the stories themselves — the concern is only with the outdated link.

We recommend talking with your child about the importance of not following web addresses in books without checking with an adult first.

School Council

If KS2 children would like to join the School Council then they need to prepare a small speech to present in classes next week.

Please focus on the following:

I think I would be good at this role because...

If I am elected I will...

Please vote for me because...

Volunteers for gardening

We are looking for volunteers who can spare an hour or so, once a week/ fortnight, to help the eco warriors with their work caring for our prayer garden and corpse.

Please email the school office if this is something you, or someone you know, would be interested in.

Stanley

Stanley was thrilled with the number of children who have asked to be his friend. The list is now full and anyone who has already emailed in will be contacted over the next half term.

Parent Governor Election

The election comes to a close on Monday 13th October at noon. If you would like to vote please do so via Weduc / Forms / Parent Governor Election. Please refer to the weduc and e-mail circulated on the 7th October for the candidates personal statements.

REMINDERS:

Traffic Congestion:

Please note to avoid traffic congestion at the back of the school, parents kindly adhere to a one way system as outlined in this map to assist the flow of traffic.

Please also be reminded to park courteously, not over or blocking our neighbours driveways or on yellow lines.

In addition to this notice, we have been advised that parents are removing cones from driveways! Please allow additional time to find suitable parking and be respectful to our neighbours.

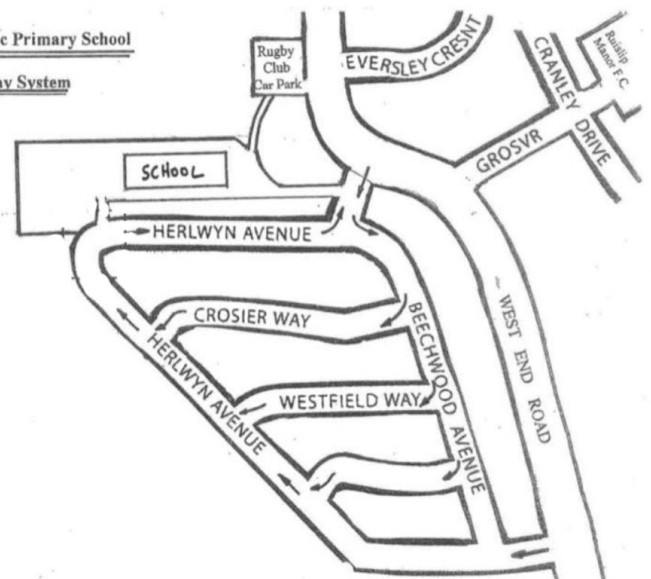

LATE ARRIVALS: Please ensure your child has **everything** they need for the day ahead, including raincoats, water bottles, books, after school kits and snacks. **Late items are a disturbance to teaching.**

SCOOTERS & BICYCLES

Children are not permitted to ride scooters and bicycles on the school premises.

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any person (parent or staff) have a concern regarding a child's wellbeing, please inform one of the school's designated safeguarding team (Mr Wright, Miss. Morahan, Mrs. Stockwell, or our Designated Safeguarding Governor, Mrs Wloch). In cases where school staff have concerns, they have a duty to discuss the issue with Social Services to seek further advice. This is the statutory obligation of all schools.
