

Performance Poetry – Year 3

Instructions For *GIANTS* by John Rice

Please do not step on swings parks, youth
clubs, cinemas and discos

Please flatten all schools

Please do not eat children, pop stars, TV
soap operas, kind grannies who give us 50cents

Please feel free to gobble up dentists

Please do not block out the sunshine

Please push all rain over to France

Please do not drink the public swimming pool

Please eat all cabbage fields, vegetable plots and anything
green that grows in the countryside!

Please do not trample kittens, lambs or other baby animals

Please take spiders and snakes, ants and beetles home for
your own pets

Please stand clear of the jets passing

Please sew up the ozone layer

Please mind where you put your BIG feet

And no sneaking off to China when you're playing hide and
seek.
