

R.E in the Nursery - Long Term Plan 24-25

Activities children engage in during their Nursery years, are experiences which provide the building blocks for later development. Starting with things which are familiar to the children, and providing lots of hands-on activities and learning, are an important part of pupils' learning at this stage.

In Quinton Nursery, the children discover the idea of Religious Education through their half-termly topics and PSED links. Bible stories suitable for the Early Years are introduced from Autumn 2 to provide a foundation of Religious Education, reflecting the legal expectation that traditions in England are predominantly Christian. Nursery also expose the children to the concept of different beliefs through learning about special celebrations, ready for their R.E learning in Reception

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
All About Me	Festivals/ Celebrations	Traditional Tales	Growing	Animals	Under the Sea
Similarities Differences Families Starting School Belonging Feelings/ Senses Rules and responsibilities	Christmas Seasons and changes	Stories of goodness Differences Thoughts Feelings Good choices	Nature Lifecycles Changing and growing	Nature Lifecycles Habitats Similarities Differences Caring for others	Graduation Marine life
