

Here are the 5 unique features of Colgate Primary School

1

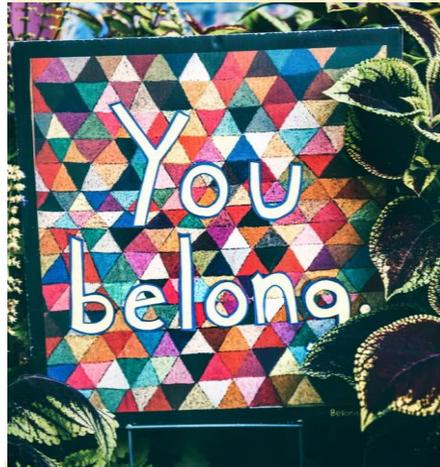

Life Learning

We offer a broad and rich curriculum, underpinned with strong Life Learning (PHSE)

2

Inclusion

Inclusion is embedded from the onset for every child and member of staff

3

Green Spaces

The school has a wonderful range of learning environments, including green spaces.

4

Small School

We celebrate our small school, which provides leadership opportunities at all levels.

5

Demography

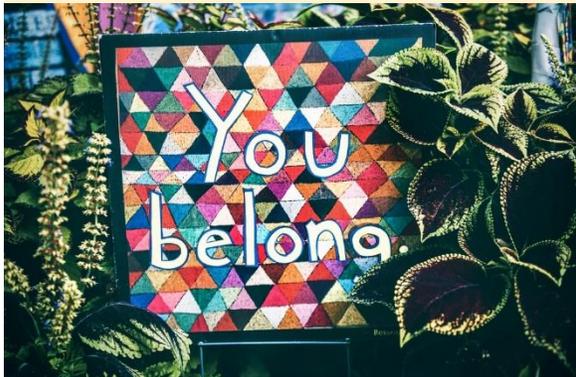

We serve a broad demography of families, we know them and understand their needs and barriers.

At Colgate Primary School we have four core Values

Inclusion

Communication

Leadership

Caring

Our values are embedded and we see them in our school life everyday

Inclusion

Our aims:

- We welcome every child into the school

Vision - Working together to be our best

- We will be the school of choice for families and children in our local area.
- We seek to appeal to a wide demography, and are recognized for having nurturing, inclusive relationships with our families.
- Every child entrusted to our care will be inspired to love learning and grow to reach their potential so that they enjoy their own academic progress and emotional personal development. They will feel secure in their learning and development.
- We provide the best possible education where all children maximise their individual progress in reading, writing and numeracy. This is achieved by offering a broad and accessible, dynamic curriculum across all key foundation subjects, utilising our wonderful learning environments, including outside spaces, which we plan to develop further.
- We celebrate our small school, ensuring every member of our school community is valued, they have a sense of belonging.
- Our children will leave Colgate Primary having reached their potential and having a curious, confident and a resilient approach to learning, fully equipped for the next step of their education.

Vision – how will it ultimately be measured?

- Every child to know what success feels like and every child makes progress over their tenure at Colgate Primary School.
- All children to reach their full potential.
- Every member of our school community feels ownership of our school vision and values, they have a sense of belonging and are secure in their place within the school.
- Children can articulate and demonstrate our school values.
