The Magic of Performance

With the government telling all schools that ORACY (speaking) is now regarded as important as reading and writing, I am only too happy to promote the many events that we organise at Belvoirdale that celebrate the skills of performance and oracy. These are confidence and life affirming skills, that are vital for young people to attempt. So please support the dazzling skills that our children present, whether it be singing in the choir, performing in the Christmas shows or supporting the Coalville Community with dances, songs and drama. **Mr Dax**

Next week we will be celebrating Children in Need so please wear YELOW on Friday 13th November!

Belvoirdale Parent Questionnaire November 2026

Dear Parents and Carers, Your views are important to us. This questionnaire helps the school to understand what we are doing well and where we can improve. There are 15 questions and it should take no more than 5 minutes to complete. Paper copies are available at the school reception. The questionnaire is based on the questions asked by Ofsted during school inspections, combined with our current school development priorities. Please select one response for each statement and if you wish to add a comment, please write it in the **OTHER** section of each question. There is also a further comment section at the end of the form. Thank you. Richard Dax. Headteacher
