

# ARE ALL ANIMALS THE SAME?

## This week's MATHS

### Multiplication and division

Divide by 5 <https://vimeo.com/775802501>

5 and 10 times table <https://vimeo.com/775802704>

### Fractions

Parts and wholes <https://vimeo.com/801891234>

Unequal and equal parts <https://vimeo.com/801891371>

## This week's ENGLISH

**Grammar** – homophones 'their', 'there' and 'they're'

**Writing:** non-fiction book project writing focussed on emperor penguins including contents page and glossary

Plan, draft and edit.

## This week's TOPIC

**Science** – Continuing to observe the changes of our caterpillars as they form their chrysalis. Cross-curricular science and English work: Emperor penguins.

**Art** – reviewing our work

**Digital citizenship** – Recognise that content on the internet may belong to other people

**PSHE** – Understand there are different types of touch and say which ones I like and do not like

**Geography** – virtual fieldwork: hot and cold places

Things to note:

**NEW PE DAYS:**

**MAPLE – MON & FRI**

**CHESTNUT – WED & FRI**

Forest school on Mondays – please send in a change of trainers/wellies as children **need to take off their muddy shoes to come back into school!**

We hope the children enjoyed their trip to Twycross Zoo!
