

Religious Education intent:

‘Building a community that empowers everyone to attain their full potential through each of us respecting each other's dignity, rights and responsibilities makes the world a better place to live.’

Pope John Paul II

Religious Education at Rydon gives the children the opportunity to explore what people across the world believe and what difference this makes to how they live.

Children gain the knowledge, understanding and skills needed to handle questions raised by religion and belief, reflecting on their own ideas and ways of living. They develop an understanding and respect for others and their differences and think about who they themselves are within that.
