BEHAVIOUR AT KINGS ROAD

Excellence Without Compromise

A simple guide for parents

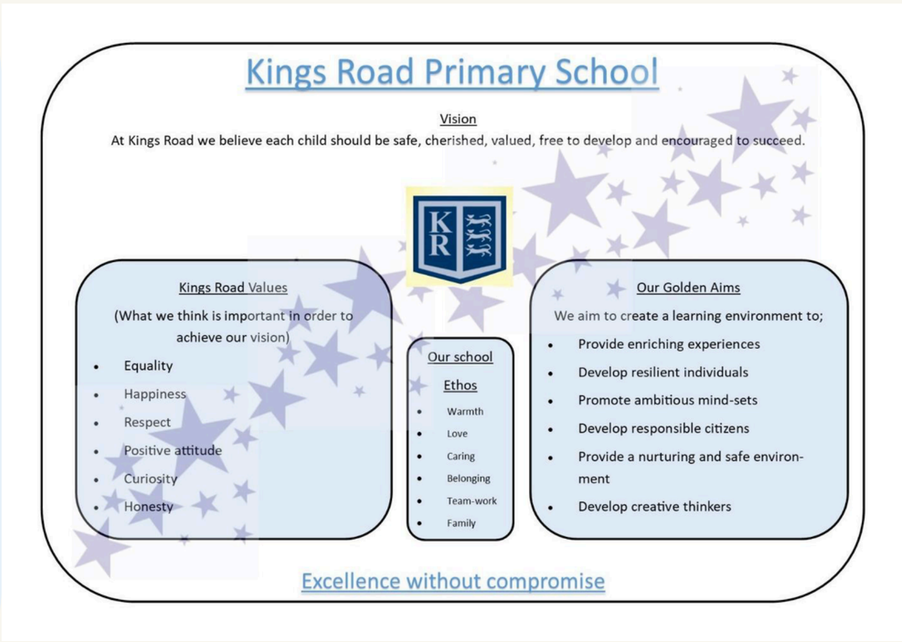

Our full Behaviour Policy can be found on our school website

OUR ONE SIMPLE RULE

At Kings Road we behave with respect, courtesy and consideration towards one another at all times.

WHAT WE TEACH & PRAISE

- We explicitly teach and model positive behaviour.
- We promote our school and TeamKR values.
- We encourage children to do the right thing because it feels right.
- We celebrate success through meaningful rewards.

DAILY WELLBEING CHECK

Each morning, children share how they are feeling.

This helps us spot emotional barriers to learning and provide support when needed.

IF BEHAVIOUR DOES NOT MEET EXPECTATIONS

We start with relationships: reminders and restorative conversations.

If needed, we use a clear, progressive system: classroom reminders → loss of free time (LOFT) → Opportunity to Succeed (OTS) with a senior leader → formal consequences.

Serious incidents may lead to stronger sanctions, including suspension or permanent exclusion. Exclusions are a last resort and follow DfE guidance.

SEND & ADDITIONAL NEEDS

We recognise that behaviour can be linked to SEND. Reasonable adjustments and personalised support are used.

BULLYING & ONLINE SAFETY

Bullying, racism and online abuse are taken seriously. Please report concerns to school promptly.

ATTENDANCE & PUNCTUALITY

Arriving ready to learn at 8.45am and good attendance help children get the most from school.

HOW PARENTS CAN HELP?

- Reinforce our expectations at home
- Tell us about changes that may affect your child
- Work with us on support plans and attend reviews
- Raise concerns promptly and respectfully

Questions or support? Please speak to your child's class teacher or Pastoral Lead.
