

YEAR 2 NEWSLETTER

Friday 9th October 2026

English

Next week in English we will be beginning our story 'Oliver's vegetables'. We will be looking at this story in our English lessons and Story time lessons. We will be focusing on expanded noun phrases, as well as sequencing our story.

Spellings recap: kind, children, Christmas, climb, because, child, old

Maths

Next week in Math's we will begin our Addition and Subtraction unit. We will specifically look at number bonds to 10, fact families and related facts.

Please allow your child to watch these videos before next week.

Topic

Next week we will be block teaching our DT. We will be looking at the different food groups, and what a balanced meal looks like. We will also be taste testing ingredients – if we are not aware already of any allergies, please can you let the office know.

In science we will be completing a review on what would happen if you didn't keep healthy.

Homework

Please read with your child at least 3 times a week and record in their reading diary.

Home reading/science book to be returned on Thursday's if your child has been chosen.

Spellings – dictated session on Fridays.

Please allow your child to learn these before then.

Reminders

Please make sure your child is returning their guided reading books on a Monday. We have had quite a few children not returning them, this has an affect on the next week's reading sessions as we will not have enough books.

Many thanks, Year 2 team 😊
