

## Key Vocabulary

Key Word	Definition
Relationship	The way that different elements of a work of art are connected to each other or relate to each other.
2 Dimensional (2D)	Something that exists in the two dimensions, height and width. Drawing, painting, and photography are all forms of two-dimensional artwork.
3 Dimensional (3D)	Shapes with three dimensions, width, height and depth.
Design through making	When artists go straight into making something, rather than drawing it out, and then make changes as they go.
Construct	To build or make something.
Installation	Setting something up in a space in order for it to be used or looked at.
Fabric	Cloth or other material produced by weaving or knitting fibres.
Present	To show and talk about you work with others.
Share	Show work to others.
Collaborative	Produced by or involving two or more parties working together.

## Art: Summer Term Festival Feast (Sculpture)

## Learning Sequence

1

Explore who Claes Oldenburg, Lucia Hierro and Rowen Briggs Smith represent food through sculpture.

2

Use drawing skills to create pictures of food.

3

Use Modroc to create sculptures of food.

4

Complete Modroc sculpture.

5

Create a collaborative observational drawing on fabric.

6

Share, review and reflect on artwork.
