ELMER DAY

The Rainbow Fish Class had a fantastic day celebrating 'Elmer Day', where they thought about similarities and differences between themselves and their friends, such as their favourite foods, favourite colours and what they enjoy playing. They reflected on how although none of us look the same as each other and we all enjoy different things, we are all special and unique in our own ways...just like Elmer The Elephant in the story!

HYTHE ENVIRONMENTAL SOCIETY

The Seabrook School quince tree in the Spiritual Garden has had a bumper crop this year! The gardening club invited the Hythe Environmental Society to come into school this week to help with the harvest. All of the fruit harvested has been donated to them to redistribute and avoid any wastage. The children were very grateful for their help and the Environmental Society were appreciative of all the fruit!

EVERYBODY MATTERS DAY

Last week we all joined together to take part in our 'Everybody Matters Day'. This was a day dedicated to celebrating the rich diversity that shapes our school community, with an opportunity to come together to share and appreciate the uniqueness of those around us. The day began with a special worship where the children shared their own thoughts on the theme for the day, including pictures they had made and prayers they had written (shared below). The activities throughout the day centred around our Christian values, reinforcing the importance of love, kindness, empathy and respect and it was wonderful for everyone to have the opportunity to work with children and staff from different classes around the school.

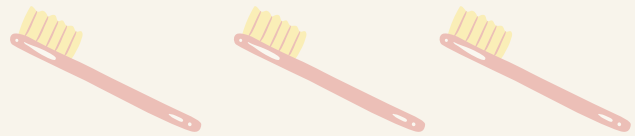

Thank you for everyone who has a kind heart and for people who respect everyone no matter who they are and what they do. Everyone is equal - the same no matter what they look like or their personality. Everyone should be treated fairly whether people are friends or not.

No matter what, everyone matters anyway.

Amen

We would like to say a huge thank you for all of your kind donations of toothbrushes today, which will soon be taken to Uganda to support children in need. Thank you.

NATURE QUEST

The children have been enjoying telling us all about how they have taken part in our Nature Quest challenges over the past couple of weeks! If your child takes a photo and they would like to share it with us as part of our Nature Quest, please email it into office@seabrook.kent.sch.uk.

Don't forget that they can also bring in any drawings, items or facts about what they have found to share with us at school!

STARTING SCHOOL IN 2026

If you have a child due to start Year R in September 2026 you are very welcome to join us at one of our Open Afternoons in November. Please contact the school office to book a time.

If you don't require a tour please could you just let the school office know the name of the sibling that is due to start.

Many thanks.

KIC THEATRE WORKSHOPS

Last week we enjoyed class workshops with KIC Theatre Company, who worked with the children to explore the importance of recognising the feelings of those around us and appreciating each other as unique individuals. The workshops used a variety of stories, freeze frames and role play and the children all engaged brilliantly, making very insightful contributions. Well done everyone!

WINTER UNIFORM

Please can all children return to school, after half term (Terms 2-4) in winter uniform. Our uniform policy can be found on our website:-
