ILLNESS

Is your child poorly? Sometimes children perk up and could attend school in the afternoon. Next week, we will be calling at 11 to see whether your child is able to come in for the afternoon – we don't want them to miss out,

BUT PLEASE DO NOT SEND THEM IN IF THEY ARE STILL ILL!

If you're not sure whether to send them in, please consult the following website: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

SATS

Year 6 have their SATs next week – we know they will do their best and we will do our best for them!

What a load of old rubbish!

On Wednesday Hazel class had a visit from a lady called Alex, who talked to us about our rubbish and what could be recycled. Then the Eco Warriors checked that every classroom had a recycling bin, scrap-paper tray and a compost caddy. The Eco Warriors are planning an assembly for the school and creating posters to help people recycle.

OPEN DOOR

PLEASE come and talk to us if there are any issues with the school. We pride ourselves on being an open door. Talk to me on the gate in the mornings, or arrange for a phone call or meeting, and we can work together to make sure this school experience is the best for your child and you!

VOLUNTEER

Could you volunteer?

We can welcome volunteers back into school. If you, or anyone you know, could offer as little as an hour a week to read with children, it will make a big difference. Please contact us for more information. Thank you to those who have already contacted us.

COMMUNICATION

We want our school community to be happy. Any problems? **Please talk to us.** We will be more than happy to have a chat about anything. If you feel your issues are not being adequately dealt with, please ask for the complaints policy which will guide you through the procedure. Any issues, just ask! parent@eastallingtonprimary.org.uk

Worried about a child's safety?

If you are concerned about a child in Devon and want to speak to someone contact the Multi-Agency Safeguarding Hub (MASH) on 0345 155 1071 or email mashsecure@devon.gcsx.gov.uk and give as much information as you can.

If a child is at immediate risk contact police on 999

Devon Public Health Nursing Service (School Nursing) in Primary Schools

YOUR SCHOOL NURSE TEAM can be contacted at:
Southern Public Health Nursing HUB (South Hams, Teignbridge and Tavistock)
0333 234 1901

If you would like advice from a School Nurse, want to make or change an appointment, or would like to make a referral for your child to the School Nursing Team - please contact the HUB on the number above.

You can also text for information or advice via ChatHealth on **07520 631 721**

Find us online at: <https://devon.gov.uk/educationandfamilies/health/public-health-nursing>

This is provided via:

- A referral system so parents, carers, young people and professionals can request support from the School Nurse team/service
- Confidential clinic appointments (book via PHN hub)
- Phone advice and support (PHN hub contact details below)
- Text advice and support (via ChatHealth, details below)

As a parent you can talk to the School Nurse about any health concerns for your child which may include:

- Healthy lifestyle choices - including healthy eating and physical activity
- Worries about your child's physical and mental health
- Body shape or size
- Stress at school or at home
- Management of a health condition
- Keeping safe
- Friendships and bullying
- Sleep
- Bladder and bowel issues (toileting advice)

When we work with families, confidentiality and information sharing will be discussed with you. If there is a concern that someone may be suffering, or is at risk of significant harm information is shared following safeguarding procedures.

Your School Nurse team works within schools and the wider community to:

- Provide health advice to help children and young people make the best of their education
- Provide advice and support to parent/carers and schools
- Support young people to look after their own health
- Direct children and their families to the right services.
- Undertake review of growth as part of National Child Measurement programme (Reception and Year 6).

- Identify health needs and trends at a community level to inform current and future services and allocation of resources.
