

# Micklands Primary School

**Wave 1 is what is on offer for all children. Social, Emotional, and Mental wellbeing are essential for successful learning. For some children, difficulties in their emotional and social development can mean that they require additional and different provision in order for them to achieve. Children who have difficulties with their emotional and social development may have immature social skills and find it difficult to make and sustain healthy relationships. These difficulties may be displayed through the child becoming withdrawn or isolated, as well as through challenging, disruptive or disturbing behaviour.**
