Dear Parents/Carers

RE: Weather warning

As I am sure you are aware, there is a weather warning of extreme heat for this week, particularly on Wednesday and Thursday.

Due to the warning, students will be permitted to wear their PE kit on Tuesday, Wednesday and Thursday. This will mean that they will have the choice to either wear the school uniform, which can include tailored shorts and short-sleeved shirts/blouses, or their school PE kit. They are not permitted to attend in other choices of their own clothes.

A reminder that children should bring a water bottle to school each day. They may keep this with them and refill it throughout the day to help stay cool. Please note that only water is permitted unless alternative drinks have been agreed in advance.

Please also ensure that sunscreen is applied before your child comes to school and that they bring a hat to wear during break times and lunchtime when they are outside.

If your child is going on a school trip this week, information about appropriate clothing has already been shared separately. For any children attending a school trip, please make sure they have sun cream and a hat to protect them from the sun.

If you have any questions, please speak to your child's form teacher.

Yours sincerely

Mr Oxley
Headteacher
