

## YR 5 / 6 - Class Endeavour

Class Endeavour – Y5/6 is a friendly, mixed Year 5 and 6 class. It is our aim to be resilient and independent learners. We are great at working together as a team and supporting each other in all we do. We enjoy reading and listening to stories, poems and exploring non-fiction texts. We are particularly good at making recommendations amongst our peers when discussing books we read for pleasure. Aiming high in all aspects of the curriculum, we strive to meet our goals and achieve our targets. We love demonstrating our learning with pride when presenting our work. We are confident learners and we love a challenge - 'We can't do it - yet!'

Teacher: Andrea Hall, Helen Walker  
Teaching Assistant: Maria Cranfield

### What are we learning?
