- Adopting an inclusive attitude and ensuring that the whole school community understands what inclusive behaviour looks like in the school and how this aligns with the school's values.
- Adopting an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.
- Challenging bias in order to move the conversation forward.

We are committed to having a balanced, diverse and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes.

Dealing with prejudice and celebrating diversity

We do not tolerate any form of prejudice-related incident. Whether direct or indirect, we treat discrimination against all members of our school with the utmost severity. Our pupils are taught to be:

- Understanding of others.
- Celebratory of diversity.
- Eager to reach their full potential.
- Inclusive.
- Aware of what constitutes discriminatory behaviour.

The school's employees will not:

- Discriminate against any member of the school community.
- Treat other members of the school community unfairly.

The school's employees will:

- Promote diversity and equality.
