Every student travelling will need valid ETA or Visa to Travel. Please ONLY use this website for your ETA it should only be \$7, do not pay anymore, there are lots of scam sites.

The screenshot shows a web browser window with the URL <https://ircc.canada.ca/english/visit/visas.asp>. The page header includes the Government of Canada logo and a search bar. A breadcrumb trail reads: [Canada.ca](#) > [Immigration and citizenship](#) > [Visit](#). The main heading is "Find out if you need a visa to travel to Canada". Below the heading, a paragraph states: "Most people need a visa or an Electronic Travel Authorization (eTA) to travel to Canada - not both. Some people may only need their valid passport. Answer a few questions to see what's right for you." A progress bar is visible at the top of the content area. The question is: "What travel document do you plan to use to travel to Canada?". There are four radio button options: "Passport", "Alien's passport for stateless persons", "Permit to re-enter the US (I-327)", and "US Refugee Travel Document (I-571)". The Windows taskbar at the bottom shows the time as 14:49 on 14/10/2024.

The screenshot shows the same web browser window, but the quiz has been completed. The progress bar is now filled. A link for "[Previous question](#)" is visible. The result is displayed as: "Answer: You need an Electronic Travel Authorization (eTA)". Below this, it specifies: "For visits of up to 6 months or to transit via a Canadian airport." and "Cost: CAN \$7". There is a button labeled "Get details about eTA" and a "Start over" link with a refresh icon. The Windows taskbar at the bottom shows the time as 14:49 on 14/10/2024.
