

Remote Learning Guide

History

w.c 29th June 2026

What is the remote learning guide?

Where students are unable to attend school due to, medical, or disciplinary reasons we will continue to provide resources to enable students to continue their education at home – we call this remote learning. We want to minimise the impact to your child’s education and therefore we have a plan to make sure learning can continue when they are unable to attend school.

We will be providing all teaching resources through Microsoft Teams. All students will be automatically placed in a Team for their classes in all subjects. Teachers will place all activities, including lessons and resources as files in these Teams. Pupils can access the Teams through their school email accounts. Teachers will also set homework and send messages to their pupils using MS Teams. All work will be available before the lesson is due to start.

You can see a summary of what is being taught each week through the remote learning guides that are shared on the school website every Friday. The guides are also shared with students on their year group’s MS Teams. Your child’s teachers will also be available via email to answer any questions or queries your child may have. The email address for the head of each department is also included within this guide if you need to contact them regarding any subject related issue.

Pupils are also regularly set tasks and can access resources using the following platforms:

- GCSEPod - <https://www.gcsepod.com/>
- Bedrock learning - <https://bedrocklearning.org/>
- Seneca - <https://senecalearning.com/en-GB/>
- UpLearn - www.uplearn.co.uk
- Sparx Maths - <https://sparxmaths.com/>

The following resources provide lessons created by the BBC and Department for Education that may be used with your children to extend their learning at school.

- Oak National Academy - <https://www.thenational.academy/>
- BBC Bitesize Daily Lessons - <https://www.bbc.co.uk/bitesize/dailylessons>

Studies show that reading for pleasure makes a big difference to children’s educational performance. We recognise that reading is vitally important to your child’s education. Please make sure your child reads approximately one book a week. Students may access online news resources using The Day - <https://theday.co.uk/> or they may borrow a book from the school library.

Students record the passwords for these online resources in their school planner. If your child is unable to access the digital resources set by their teachers, please contact your child’s Year Manager or Year Coordinator or the school directly using this email address: enquiry@holte.bham.sch.uk

Year 7

Head of Department: Mrs S Bashir s.bashir@holte.bham.sch.uk

What is your child learning this term?

Head of Department: Mrs S Bashir- s.bashir@holte.bham.sch.uk

What is your child learning this term?

Year 11 have now completed their study of Weimar and Nazi Germany.
They will now be revising for their summer examinations.

Class	Teacher	Lessons, including homework deadlines & resources
11bhi1	Mr Galloway	No lessons- pupils have finished the course

11chi1	Miss Hussain	No lessons- pupils have finished the course
11chi2	Mr Farmer	No lessons- pupils have finished the course

6th Form

Head of Department: Mrs S Bashirs.bashir@holte.bham.sch.uk

What is your child learning this term?

Pupils will start Year 12 with a study of the AQA unit 1K: The making of a Superpower, 1865-1975. In the spring term we will focus on the following:

The Superpower, 1945–1975

- Domestic politics: Truman, Eisenhower and post-war reconstruction
- Kennedy, Johnson and Nixon; New Frontier; the Great Society; Nixon and Republican revival
- Economic change and developments: the rise of the consumer society and economic boom
- Ideological, social, regional and ethnic divisions: McCarthyism; civil rights; youth culture; protest and the mass media

- The USA and international relations: the Cold War and relations with the USSR and China; the Vietnam War
- The USA by 1975: its place as a Superpower; the limits of social cohesion; new cultural developments, including the role of women and the position of African-Americans

Pupils will also use their two lessons a fortnight with Mrs Bashir to study the witch craze in Western Europe. This is the topic they will research and write about for their NEA (an extended essay of 4000-4500 words). Year 13 students are studying the Making of Modern Britain with Mr Oliver. They are completing their NEA with Mr Galloway.

Class	Teacher	Lessons, including homework deadlines & resources
12bhi1	Mr Oliver, Mr Farmer and Mrs Bashir	Year 12 Work Experience – no lessons
13dhi1	Mr Oliver and Mr Galloway	No lessons- pupils have finished the course
