

29 June 2026

Dear Parent/Carer

I am sorry that we had to postpone the planned transition events last week. With the support of our partner primary schools, we have been able to identify a new date for the pupil transition event. This will now take place on **Monday 13th July**, with the arrangements as follows:

Drop-off: 9:15am

Location: Bus Bay entrance (off Ewenny Road, next to the Premier shop)

Collection: 2:15pm

Location: Bus Bay entrance (as before)

Pupils are encouraged to wear their school jumpers and PE kit (tracksuit bottoms/shorts etc). This ensures they are suitably dressed for a day that may include physical activity and also allows staff to easily identify them. **They should also bring a packed lunch for break and lunchtime.**

Unfortunately, we have been unable to identify an evening for the parent/carer meeting due to the large number of events taking place over the coming weeks. However, we are currently producing a parent/carer welcome video which will be shared with you later this week. This will contain all the information that would have been provided during the meeting.

We also encourage you to visit our dedicated Transition webpage for further details and helpful resources which can be accessed by clicking [here](#).

Thank you for your support, and we look forward to meeting your child on Monday 13th July.

Best wishes

Headteacher
