

September 2026

Dear Students, Parents and Carers,

Ten Tors Event, 7th to 9th May 2026

There is an exciting opportunity for students in Year 9 and above to train for Ten Tors.

We are looking for anyone that thinks they might enjoy having fun walking on Dartmoor and who is up for a challenge! Training includes navigation, safe river crossings, camping and outdoor cooking. Participating in Ten Tors training is often a students highlight of the year so why not give it a go!

For those who are new to Ten Tors, the training starts in October 2026 until April 2027 and the main Ten Tors event is on 7th, 8th and 9th May 2027. Full dates are on the Teign School website and on the parent consent form.

We will be holding a Parents' meeting with lots of information for those new to Ten Tors on Tuesday 29th September at 6pm in the school theatre.

For more information, email us on ttorsmanagers@teignschool.org.uk or chat to Mrs Cornish in school.

Please complete the parent consent form attached with this letter. You can also find information on the school website: search for Ten Tors in the Parents drop down menu. Please return the parent consent form to Mrs Cornish or via email to the above address.

Once you have completed the consent form, your child will then be allocated a payment option on ParentPay for Ten Tors. Each walk is charged at £10 per child and the weekend camps are £15 to cover the cost of transport, safety vehicles and qualified supervision, and also includes the provision of tents, Trangias, gas, and first aid kits. Should you have any concerns about the cost of the walks or buying kit, please speak to us. We have selection of waterproof clothes, rucksacks, a variety of walking clothes and even a few pairs of walking boots that students can borrow. There will be an extra cost for the actual event, should your child be selected, which covers the Ten Tors entry fee and food.

Distances that students can walk are as follows:

Years 9 & 10 = 35 miles

Year 10 = 45 miles (if they have completed 35 miles in yr9)

Years 11 & 12 = 45 miles

Years 12 & 13 = 55 miles

Best regards

Ten Tors Training Team
