### 4. **Speaking and Listening**

Prepare a 2-5 minute talk or presentation about something you are interested in. Other topics could be; work experience or reward day ideas

### 5. **Qualifications**

Some Year10 and 11 pupils who are preparing for qualifications have also been given CGP booklets with activities linked to their qualifications

It would also benefit our pupils if they read at home – this could be reading their school reading book, newspapers, magazines or other books (even listening to stories and talking about them with people at home would help pupils to develop their reading skills).

If you would like any help or other ideas you can contact Mrs Williams through the school office e-mail.
