*"Dedicated to
learning as the
foundation for life"*

Dear Students and Parents/Carers

We are so proud of this year's cohort of students who have demonstrated such perseverance and resilience during the last two years of their studies. Your dedication and commitment have helped you to achieve.

GCSE results day is Thursday 20th August 2026.

Students can arrive to collect results between 9 am to 11 am.

This letter sets out the post-results services for Holte School following the release of your results.

Post Results Services

As its name implies, this service runs after you have received your results.

If you are unhappy with your results or there is an anomaly, we would advise you to firstly, speak to your subject teacher. If they support your concern, they may advise you to use one of the post results services available to you.

We can request a clerical check and/or a marking review of the script. The 'script' is the name given to your exam answer paper.

Signed consent is needed by the school before any applications can be made and the application must through the school by the exam officer. The services available are:

Service 1 (Clerical re-check)

A clerical re-check of a marked paper will make sure that:

- All pages have been marked
- All the marks have been totalled correctly
- the result matches the marks on the paper.

Your grade can go down as well as up. A clerical re check takes up to **10 calendar days**. The request must be received by the school **24th September 2026**.

Service 2 (Review of marking)

If you request a review or priority review of marking:

- it includes a clerical re-check
- you'll receive a copy of the reviewed script as part of this service
- a second examiner will review the paper/recording again to identify genuine marking errors or unreasonable marking
- we'll make sure all the marks are counted.

This service is only available for externally marked units.

Your grade can go down as well as up. It takes up to **20 calendar days** for a review of marking
The request must be received by the school by **24th September 2026**.

In my experience marks very rarely are changed and if they are it is normally by only 1 or 2 marks either way. If after review the school does not support your request, there is the option to cover the cost yourself. These costs vary across the exam boards, please get in touch if you need further information. Should you require support in accessing these services please contact Mrs Mann via v.mann@holte.bham.sch.uk.

Please take note, grades can go down as well as up. Once a request is submitted it cannot be revoked and you cannot revert to your original mark.

Further information on post-results services can be found on our website on results day.

Yours Sincerely

S. Adams
