Super Starter
 Superhero workshop with a special superhero guest
 Wednesday 4th March AM

Vocabulary
 What new vocabulary can you help your child to learn and understand:

Curriculum Subject Learning
PSHE: Healthy and safer lifestyles / Keeping safe
Physical Development: Games and ball control
Literacy: We will be reading 'Superworm', 'Super Kid' and 'Supertato,' We will be retelling the stories and making up our own versions; doing some descriptive writing about the characters; reading and following instructions; creating posters and writing sentences. We will also talk about our families and what makes them special, mini-beasts and learning about Easter.
Maths: Copying, carrying on and recreating our own repeated patterns. We will be ordering events that happen in our daily like and looking at measuring time using sand timers or stop watches. We will be working on numbers within 10, represent numbers in different ways and making number bonds.
Understanding the World: We will learn about Easter as a celebration. Growing vegetables and using i-pads to draw pictures and make them come to life.
Expressive Arts and Design: Collage and painting story characters and super heroes and designing and making related artefacts. Exploring colour mixing.

Superworm	Lizard	bees
slug	snails	trap
