

TIGERS

English

This term we will be reading Jumanji, by Chris Van Allsburg. We will be perfecting our recount writing skills, learning how to use more specific expanded nouns to describe and subordinate clauses. Finally we will be writing our own sequel.

PE

We will continue to develop our teamwork skills as well as beginning dance lessons with an external teacher.

PSHE

We will look at our own and others identities, discuss how we can respect diversity and understand the roles people can play in communities

Science

Our Science unit this term is 'States of Matter' Through this topic, we will explore changes in state of solids, liquids and gases, and partake in several investigations.

Music

We will be continuing with our ukulele lessons, learning chords and notes.

Autumn 2 in the Tigers!

We are really looking forward to everything we will be learning about this half term!

Please get in touch if you have any questions. Mrs Spivey will be teaching Mon-Wed and Mrs Rhodes will take over on Thursday and Friday

**PE days: Wednesdays and Thursdays
Library Slot: Friday**

Maths

After we finish addition and subtraction we will be moving onto multiplication and division and developing our times tables.

RE

In R.E, we will seek answers to our big topic question; 'How do festivals and worship show what matters to Muslims?'

AUTUMN 2

Geography

We will learn what living sustainably means. Focusing on non and renewable resources, such as electricity and how creating new habitats for birds are examples of sustainable development.

French

In French we will be learning to retell Little Red Riding Hood which brings together some of our learning so far.

DT

As part of our unit on textiles, we will be making money containers where we will design and create a fabric container using our sewing skills.

Computing

We will learn that the internet is a network of networks which need to be kept secure. We will have opportunities to explore the World Wide Web and evaluate online content.
