

FOXES & LIONS

English

In English we are reading A Series of Unfortunate Events by Lemony Snicket. A book full of rife, misfortune, misery, and despair. We will be getting in the shoes of many of the characters writing diary entries as well as descriptive pieces and narratives. We will also continue to develop and uplevel our grammar and punctuation knowledge.

PE

This half term, we will continue developing our hockey skills as well as finding our rhythm in dance.

PSHE

In PSHE we are moving on to learn about Managing Safety including, learning about the consequences of risks, how to carry out basic first aid and how to prevent accidents at home and school.

Science

In our next topic in science, we will be looking at light pollution and how we can reduce it.

Maths

In maths, we are turning our hands to algebra, and ratio and challenging ourselves to gain all those extra marks on our arithmetic tests!

Welcome back to Year 6!

Well, it may be our shortest term but we have a lot to do! This overview gives just a flavour of the things we will be learning about and we didn't even mention Science Week or World Book Day! We're very excited to participate in both of these events and use our imaginations to create a marble run (science) and learn stop-motion animation on World Book Day!

Before Easter, we will be inviting parents and carers to come in on Parents' evening. Shortly after our Easter break, we will also be inviting parents in to discuss the coming SATs details to follow.

**PE days: Monday and Fridays
Library Slot: Fridays!**

Computing

In computing, we are very excited to start learning all about Micro: bits. We will be developing our coding and digital-making skills.

RE

We will be exploring the question, 'how does faith help people when life gets hard?' We will consider why some people find that their faith can help them celebrate the good times in life but also to cope with the difficult times.

SPRING 2

History

In history, we will be exploring the Mayans and why they changed the way they lived. We will investigate who they were and what they do today, the ruins of Chichen Itza and why we know so much about ancient Maya society.

French

In French, we will continue to learn all about the planets and our solar system and build on developing longer more detailed sentences.

Art

In art, we are continuing to explore identity, focusing on portrait illustrations, selecting colours to express feelings and using collage and mixed media techniques.

DT

In DT, we will learn about nutrition and vegetarian dishes before trying our hand at cooking vegetarian meals!
