Pupil Acceptable Use of Technology Policies

Early Years and Key Stage 1 (4-6)

- I understand that the school Acceptable Use Policy will help keep me safe and happy online.
- I only use the internet when an adult is with me.
- I only click on online links and buttons when I know what they do. If I am not sure, I ask an adult first.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know the school can see what I am doing online when I use school computers and iPads.
- I always tell a member of staff if something online makes me feel upset, unhappy, or worried.
- I can visit www.thinkuknow.co.uk to learn more about keeping safe online.
- I know that if I do not follow the school rules of Be Ready, Be Respectful and Be Safe, then a member of staff will speak with me and there may be a consequence.
- I have read and talked about these rules with my parents/carers.

Key Stage 2 (7-11)

I understand that the school Acceptable Use Policy will help keep me safe and happy online at home and at school.

Safe

- I will behave online the same way as I behave in the classroom.
- I will not be unkind online.
- I only send messages which are polite and friendly.
- I will only post pictures or videos on the internet if they are safe and appropriate, and if I have permission.
- I only talk with, and open messages, from people I know.
- I will only click on links if I know they are safe.
- I know that people I meet online may not always be who they say they are. If someone online suggests meeting up, I will immediately talk to an adult.

Learning

- I will not use my own personal smart devices and/or mobile phone at school.
- I always ask permission from an adult before using the internet.
- I only use websites and search engines that my teacher has chosen.
- I use school devices for school work unless I have permission otherwise.

- If I need to learn online at home, I will follow the school rules.

Trust

- I know that not everything or everyone online is honest or truthful.
- I will check content on various sources like other websites, books or with a trusted adult.
- I always credit the person or source that created any work, images, or text I use.

Responsible

- I keep my personal information safe and private online.
- I will keep my passwords safe and will not share them.
- I will not access or change other people's files or information.
- I will only change the settings on a device if a member of staff has allowed me to.

Tell

- If I see anything online that I should not or if I see something online that makes me feel worried or upset, I will turn off the screen or close the lid and tell an adult immediately.
- If I am aware of anyone being unsafe with technology, I will report it to a member of staff at school.
- I know it is not my fault if I see, or someone sends me, something upsetting or unkind online.
- I always talk to an adult if I am not sure about something or if something happens online that makes me feel worried or frightened.

Understand

- I understand that the school internet filter is there to protect me, and I will not try to bypass it.
- I know that all school owned devices and networks are monitored to help keep me safe, including if I use them at home. This means someone at the school may be able to see and/or check my online activity when I use school devices and networks if they are concerned about my or anyone else's safety or behaviour.
- If, for any reason, I need to bring a personal device, for example a smart/mobile phone and/or other wearable technology into school then I will hand this into my class teacher before registration in the morning and collect it at the end of the school day.
- I have read and talked about these rules with my parents/carers.
- I can visit www.thinkuknow.co.uk and www.childline.org.uk to learn more about being safe online or to see help.
- I know that if I do not follow the school rules of Be Ready, Be Respectful and Be Safe, then a member of staff will speak with me and there may be a consequence.

As a professional organisation with responsibility for safeguarding, all members of staff are expected to use Blean Primary School IT systems in a professional, lawful, and ethical manner. To ensure that members of staff understand their professional responsibilities when using technology and provide appropriate curriculum opportunities for pupils, they are asked to read and sign the staff Acceptable Use of Technology Policy (AUP).

Our AUP is not intended to unduly limit the ways in which members of staff teach or use technology professionally, or indeed how they use the internet personally, however the AUP will help ensure that all staff understand Blean Primary School expectations regarding safe and responsible technology use and can manage the potential risks posed. The AUP will also help to ensure that school systems are protected from any accidental or deliberate misuse which could put the safety and security of our systems or members of the community at risk.

- If, for any reason, I need to bring a personal device, for example a smart/mobile phone and/or other wearable technology into school then I will hand this into my class teacher before registration in the morning and collect it at the end of the school day.
