### Curriculum Intent for Reading

Through the delivery of our reading curriculum, we ensure a consistent and robust teaching and learning of early reading and phonics in FS and KS1, so that pupils are able to read with increased speed and fluency and access the wider curriculum. Children are provided with books that match and support their phonics development and ability. All pupils have opportunities to develop their reading skills daily, and are encouraged to read at home with an adult. We provide a text rich environment, in order to encourage a positive culture of reading throughout all classes and promote pupils' enjoyment of reading. Through high quality teaching and learning experiences, we will develop children's skills and competence. We aim for children to:

Read accurately, fluently and with understanding;

Apply a knowledge of structured synthetic phonics in order to decode unfamiliar words with increasing accuracy and speed;

Be able to read with expression, clarity and confidence;

Develop a good linguistic knowledge of vocabulary and grammar;

Read and respond to a wide range of different types of texts;

Develop a deeper level of emotional intelligence and empathy;

Read fluently, and with confidence, in any subject in their forthcoming secondary education.
