

Communication and Language:

We will be learning to ask questions to know more about something and we will be creating super sentences which include great vocabulary!

Personal, Social and Emotional:

We will be making friends and learning about changes; exploring seasonal changes and how we change over time.

Physical Development:

We will be developing our gross motor skills through dance. We will also be developing our fine motor skills through threading.

Our enquiry question is:

'Shall we go for a walk?'

Mathematics:

In maths we will be comparing, composing and representing numbers 1 to 5 and using and positional language.

Literacy:

We will be developing our literacy skills through tales toolkit and through the books 'On the way home' and 'A stroll through the seasons'.

Understanding the World:

We will be learning about simple maps, exploring, following and making maps and learning about the seasons.

Religious Education:

The theme that we will be learning and exploring this half term is: Celebrating. We will be considering how people celebrate Christmas.

Expressive Arts and Design:

We will be taking part in group art linked to fireworks and learning about performance as well as developing our performance skills.
