

Chemistry - Curriculum Overview

Year 10

Half Term:	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Topics:	Paper 1 Bonding, structure and properties of matter.	Paper 1 Electrolysis.	Paper 1 Quantitative chemistry.	Paper 2 Chemical analysis.	Paper 2 Using resources.	Separate Chemistry only Paper 1 Bulk and surface properties of matter, transition metals, chemical cells. Paper 2 Using materials.
Assessment & End Points:	STAR end of topic test on bonding, structure and properties of matter.	STAR end of topic test on electrolysis.	STAR end of topic test on quantitative chemistry.	STAR end of topic test on chemical analysis.	STAR end of topic test on using resources.	Y10 Mock exam.
