

HOW CAN WE HELP?

Our curriculum is planned to promote positive growth in the lives of all children. We always endeavour to adopt a holistic approach that enables each child to develop spiritually, physically, emotionally, and morally. We know that each child is unique and special, and positive early childhood experiences are instrumental for a child's overall development in later life. Oxley promotes and maintains a safe environment that creates an opportunity for children to develop and grow positively, and at the very heart of this is our children and their families' mental health and wellbeing.

If you would like to talk to someone, please do not hesitate to contact your child's class teacher, Mr Caldwell (Headteacher), Mrs Woolcock (Deputy Head), Mrs Robe (Family and Mental Wellbeing Lead), Mrs Weaver (Safeguarding and Anti-bullying Lead Governor) or Miss Evans (PSHE Lead).
