

Policy for the Induction of Early Career Teachers (ECTs)

BLEAN PRIMARY SCHOOL

Policy Review date: September 2023

Headteacher: Mr I Rowden

Chairs of Governors: Mr H Samuelson

Date of Next Review: September 2024

Rationale

The first years of teaching are not only very demanding but also of critical significance in the professional development of the new teacher. It is vital new teachers get a good start to their teaching careers through appropriate transitional support. Our school's induction programme is aimed at ensuring a smooth transition from training into the teaching profession through appropriate guidance, support and challenge. Our ECT Induction programme will enable our ECTs to establish a secure foundation upon which a successful teaching career can be built.

Aims

The school aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the early career framework (ECF) from 1 September 2021
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme

Newly qualified teacher (NQT) induction transitional arrangements

This policy applies to ECTs who start their induction **on or after 1 September 2021**. NQTs who have started but not completed their induction **before 1 September 2021** will continue to follow our NQT induction policy, which can be found on the school website. They have until 1 September 2023 to complete their induction within 3 terms (a single academic year) as outlined in previous NQT induction guidance. Where possible, at the discretion of the headteacher and appropriate body, we will also provide them with:

- An ECF-based induction for the remainder of the NQT's 1-year induction
- An induction mentor for the remainder of the NQT's 1-year induction

If they don't complete their induction by 1 September 2023, they will be required at this point to switch to the full ECT induction for the remainder of their induction period. Time already spent in induction will count towards the 2-year ECT induction period.

Blean Primary have made the decision to run the Early Career Framework with NQT+1s (those teachers who are in their second year of teaching who have already successfully passed their NQT year). ***Blean Primary School do not have any NQT+1s. Blean Primary School currently have 2 ECTs in their first year of induction.***

Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#) from 1 September 2021
- The [Early career framework reforms](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)

The 'relevant standards' referred to below are the [Teachers' Standards](#).

The ECT induction programme

Our school's ECT induction programme has been designed to meet statutory requirements and make a significant contribution to both the professional and personal development of ECTs, providing support which should enable them to develop competence in the Blean Teachers' Standards and make a valuable contribution to our school. Specifically, we aim to:

- provide support to meet the generic needs of all ECTs and the specific needs of individual ECTs
- provide individualised support through high quality mentoring
- provide ECTs with examples of good classroom practice
- help ECTs form productive relationships with all members of the school community and stakeholders
- encourage reflection on their own and observed practice
- provide opportunities to recognise and celebrate success
- act quickly to help ECTs address any areas of concern
- provide a foundation for longer-term professional development
- ensure a smooth transition from teacher training, to help ECTs meet all the Blean Teachers' Standards,

The whole staff will be kept informed of the school's ECT Induction Policy and encouraged to participate, wherever possible, in its implementation and development. This policy reflects a structured whole school approach to teacher induction and recognises that the quality and commitment of the people who supervise the induction is a crucial factor in its continued success.

The induction programme will be underpinned by the Early Career Framework (ECF), enabling ECTs to understand and apply the knowledge and skills set out in the ECF. The appropriate body that Blean Primary School use for the facilitation of the ECF is Thames Gateway Teaching School Hub.

Prior to the ECT serving their induction, the headteacher and appropriate body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

The programme is quality assured by The Education Development Trust via Thames Gateway (Teaching Hub) and Blean Primary School who are facilitators for the programme.

Entitlement

Our induction programme ensures that new teachers are provided with the support and monitoring to help them fulfil their professional duties and meet the requirements for satisfactory completion of Induction. It builds on their knowledge, skills and achievements in relation to the Blean Teachers' Standards as achieved during training.

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have an appointed induction mentor, who will have QTS
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach

- Prompt written as well as oral feedback on teaching observed, with targets and feedback/advice provided.
- Confronting of any areas of practice or behaviour that may prevent the ECT meeting the Blean Teachers' Standards in a timely, honest and professional manner
- Opportunities for further professional development based on agreed targets and identified needs.
- Detailed success criteria for any areas identified as making an ECT at risk of not meeting the Blean Teachers' Standards.

Assessment & Quality Assurance

Formal assessment meetings will take place in the final term of the ECT's first year (term 6) and the final term of their second year (term 12), and will be carried out by the ECT Induction tutor and headteacher.

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate body.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.

A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

At risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance

The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

Monitoring arrangements

This policy will be reviewed **annually** by Kara Satterley, Deputy Headteacher. At every review, it will be approved by the full governing board.
