

English

In English, we will explore the traditional story "Jack and the Beanstalk". We will spend time innovating the story and describing the characters. We will also explore castles and look at non-fiction texts linked to them.

Phonics

We will continue to learn and apply new learnt sounds to our reading and writing! We will also continue to develop our decoding skills in reading.

Design Technology

Linking with our terms theme, we will be designing, making and evaluating our own castles. We will need to solve the problem of how to make a door move on our castle!

Welcome to Spring 2

We are excited to welcome you all back to Spring Term 2! This term we have a very busy and exciting term. Please find below an outline of some of the learning that will take part in the Koala's Class!

Our theme this term will be:

What is a castle and what will I find there?

PE will be on Mondays

Understanding the World/ Topic

In our science learning, we will be exploring animals. We will group and sort animals based on their characteristics. We will go outside and explore our school grounds!

SPRING 2

Maths

In Maths our EYFS children will focus on finding pairs of numbers that make ten and then move on to exploring 3D shapes. Our Year 1 children will learn about place value to 50 and then explore length and height.

Understanding the World/ Topic

We will explore the topic of Easter and why it is special to Christians. We will also create Easter cards and Mother's Day cards using a range of techniques that we have learnt.
