Our Ref KER/CMC

8 April 2021

Dear Parent/Carer

Although the Easter holiday has brought mixed weather - bright sunny days with robust arctic winds - I hope you and your family has managed to have a safe and relaxing break.

Monday 12 April marks the beginning of our summer term; an important term for all the students but particularly for Year 13 and Year 11. We will be providing regular updates for you on our website regarding the process around Teacher Assessed Grades. For all students it is an important time to fully get back into an effective working routine and put a little extra effort into getting caught up on any gaps in learning. Successful students will set themselves goals to reach - each week, at the end of the first half term then for the end of the summer term in July.

I am sure you will have heard that face coverings in schools should continue to be worn in all areas including classrooms. This will be reviewed by the government again on 17 May.

My hope is that whilst we begin this term tentatively we will end it in July almost back to normal with very few, if any, restrictions.

Finally, with the milder weather on its way, I would like to encourage students to cycle to school, if they are able and if it is safe, rather than taking public transport or the car.

I look forward to welcoming your child back to school on Monday.

Enjoy the weekend.

Best wishes

Kevin Reynolds
