

Communication and Language:

We will be working on expressing our ideas and feelings in full sentences and learning how to use the correct tense.

Personal, Social and Emotional:

We will be discussing and identifying who loves and cares for us.

Physical Development:

We will be developing our running and swimming, using our gross motor skills.

Our fine motor skills will be working hard to improve our hand writing.

Mathematics:

We will be learning about sharing and grouping, making connections between numbers and using positional language.

Our enquiry question is:

'How do we know it is Summer?'

Literacy:

We will be developing our literacy skills through 'Drawing Club,' where we will focusing on, 'Rapunzel', 'The odd egg' and 'Superworm.' We will also be exploring some non-fiction texts.

Understanding the world:

We will be exploring plants, life cycles and farm animals.

RE:

The theme that we will be learning and exploring this half term is 'Moving Forward.'

Expressive Arts and Design:

We will be continuing to explore the work of different artists.
