

## MESSAGE FROM MISS SATTERLEY

This week we marked Safer Internet Day, an important opportunity to remind children and families about staying safe, respectful and responsible when using digital technologies. As children may encounter the internet in a variety of settings, it is important that they are supported to develop an age-appropriate understanding of how to stay safe. For parents and carers, the following trusted resources offer practical advice and support:

- UK Safer Internet Centre – Guides, videos, and advice tailored for younger children and families  
<https://saferinternet.org.uk/guide-and-resource/parents-and-carers>
- Childnet – Simple explanations, conversation starters, and activities for children  
<https://www.childnet.com/parents-and-carers/>
- Internet Matters – Step-by-step guidance to help families make informed choices about digital use  
<https://www.internetmatters.org/advice/>

We encourage families to use these resources in a way that best suits their own values and routines.

May we kindly remind all parents/carers that when using the Oaks Nursery car park, you must park within the marked bays provided. Please do not double park. The car park operates as a one-way system. Thank you for your co-operation.

As we head into half term, we would like to wish all our children and families a safe, restful and enjoyable break.

We would also like to take this opportunity to say a huge thank you to all our staff for their continued hard work, dedication and commitment to our children. Your efforts make a real difference every day and are truly appreciated.

We look forward to welcoming everyone back refreshed and ready for the next half term on Tuesday 24th February.

We are committed to making sure all of our pupils feel comfortable and supported during this important time. If you have any questions or concerns, please do not hesitate to the school office. You can view our Ramadan Fasting Policy [here](#).

## *Year 6 Activities Week*

The deadline for payment is **Friday 1st May 2026**. If you are having difficulty with the cost but would still like your child to attend, please contact the School Business Manager in confidence to discuss support.

## Lunar New Year

On Thursday, the children in Keystage 2 were treated to a fantastic assembly all about the Lunar New Year. This assembly was led by four of our children in Years 4 and 6, Hero, Isabel, Josh and Yiting, who told us about how they celebrate, including the special foods that are eaten and what they all symbolise. Hero told us all about the Year of the Horse and then we really enjoyed watching the dance, 'The Spirit of Young Warriors' which Isabel shared. Yiting told us all about traditional foods and Josh told us how families might celebrate. Everyone enjoyed the quizzes and the opportunity to win prizes. Well done Hero, Isabel, Josh and Yiting and thank you.

We're really pleased to share that Isabel, Hero & Kimberly also performed their Lunar New Year dance, The Spirit of Young Warriors, at the Gulbenkian Theatre. The Lord Mayor of Canterbury, Keji Moses, and the Sheriff, Steph Jupe, personally congratulated the children and presented them with certificates, which was a proud moment for everyone involved. They've since been invited to perform at the International Day at Kent College and at East Kent's largest Lunar New Year celebration. A big well done to Isabel, Hero and Kimberly.

## Writing Competition

At the end of Term 2, children in Years 1 to 6 entered a competition organised by the Rotary Club of Canterbury. The children were asked to write a short story with either a Christmas or a Winter theme. Last week, I received an envelope containing certificates and am delighted to share the following successes:

These children were presented with their certificates along with a book token in our celebration assembly on Monday. Congratulations to these children and a big well done to all the children who wrote a story for this competition. Mrs Prior.

**1<sup>st</sup> place:** Lochlann (Dore Class) and Kitty (Denly Class)

**2<sup>nd</sup> place:** Eloise (King Class) and Finn (Thomas Class)

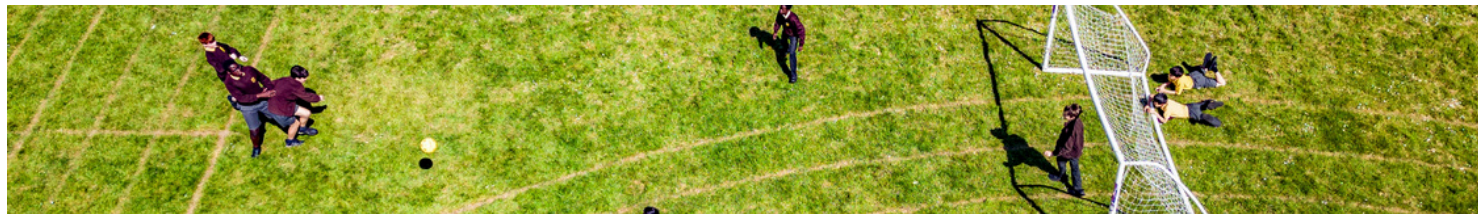

**3<sup>rd</sup> place:** Saffron (Barnes Class)

## Year 1 Donations

Year 1 would be very grateful for any donations of small board or card games that are no longer used at home. Items such as Top Trumps, Dobble, Connect 4, Buckaroo or similar small player games would be especially welcome.

If you're able to donate, please drop items at the school office. Thank you for your support.

## *Year 3 Prehistoric Museum*

Year 3 recently transformed the local village hall into a prehistoric museum, showcasing everything they have learned in History over the past two terms. The children worked incredibly hard to create exhibits, artefacts and information displays and were excited to take on the role of museum guides for their parents. Following the museum, the children held a gift shop in the classroom where their handmade mini museums and woolly mammoths raised £130.39 for the Family Food Bank.

## *Year 5 Mead Hall Experience*

Year 5 stepped back in time this week as they took part in their very own Mead Hall Experience to celebrate the end of their Viking learning journey. Gathered around a campfire, the children soaked up the atmosphere of a traditional Viking hall and even sampled a child-friendly mead drink, just like the Vikings would have enjoyed. They took turns sharing the Norse myths they had written themselves, bringing their stories to life with expression and pride. Although the event was originally planned for earlier in the term, it turned out to be the perfect way to round off our learning, a memorable and immersive experience that truly brought our Viking topic to life.

## *Kent FA Women & Girls Football*

Kent FA is hosting a FREE Women & Girls Football Extravaganza on **Friday 7 March** at the University of Kent. This is a fantastic opportunity for girls to try football in a fun, supportive environment.

**10:00–11:00am:** Wildcats Session (ages 5–11)

**11:15am–12:15pm:** Squad Girls Session (ages 12–15)

There are also beginner sessions for mums and female family members who'd like to give football a go!

## Forest School Newsletter

### Mud, Mud and More Fun!

This week marked our final Forest School sessions for KS2, and I am incredibly proud of how all the classes engaged throughout the programme. We've seen some fantastic learning taking place, with the children demonstrating a strong understanding of Forest School rules and expectations.

The winter months can be challenging due to the weather, but all the children showed great resilience in some tricky conditions. As you are all aware, the mud was everywhere and didn't spare anyone - apologies for all the extra washing this week! Thank you to all the children for their excellent efforts and to parents for your continued support and encouragement.

### Big Garden Birdwatch

Well done to everyone who took part in the Big Garden Birdwatch. We also joined in as a school, alongside an amazing 8,500,000 birdwatchers! Our KS2 children carefully observed and recorded the birds spotted on our Forest School site. It's not too late to take part at home if you'd like to join in. You can find more information and the sign-up form [here](#).

We have also been busy developing our Forest School area, including creating a new frog pond and flower planter ready for new occupants in the warmer weather. In addition, we have identified most of the trees on our site, ready for KS1 children to begin learning about them.

### Forest School Donations

We are currently looking for some additional items to support our Forest School activities. If you have any of the items listed below and are happy to donate them, we would be very grateful if you could bring them into school.

#### Items we are looking for:

- Flower seeds or flower plants ready to plant
- Gardening equipment
- Old cooking utensils
- Digging tools
- Old cooking pots
- Old wellies
- Watering cans
