

English

In English we will explore the story "This is the Bear". We will be re-writing the story, as well as innovating aspects of the story! We will be focusing on our sentence structures, making sure we are including capital letters, finger spaces and full stops.

Expressive Arts/ Design and Technology

We will make our own Teddy Bears Picnic, designing and making our own food! We will also look at healthy eating.

Expressive Arts/ Design and Technology

In our textiles unit we will design, make and evaluate props for our toys. We will link this to our unit on materials.

Welcome to Summer 2!

We are excited to welcome you all back to our final term of the academic year! It has hard to believe how fast this year has gone! Please find below an outline of some of the learning that will take part in the Koala's Class!

Our theme this term will be:

How have toys changed over time?
PE will be on Tuesdays

Understanding the World/ Science

In science, we will learnt the names of different materials and understand their properties. We will also think about which materials are suitable for certain toys. In Science, we will also learn about the season of summer!

SUMMER 2

Maths

In Maths our EYFS children will revisit learning on addition and subtraction, as well as exploring maps and mapping. The year 1 children will be learning about place value to 100. We will also cover time and money this half term.

$$8 - \text{-----} = 3$$

Understanding the World/ History

This half term we will be learning all about toys. We will look at toys from the past and compare them to how they are different from toys now.
